2025-2026 Regular Sessions

IN ASSEMBLY

(Prefiled)

January 8, 2025

Introduced by M. of A. ROZIC -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the public authorities law, the environmental conservation law and the public health law, in relation to the allocation of funds from the clean water state revolving fund and the drinking water revolving fund by the environmental facilities corporation

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph (a) of subdivision 1 of section 1285-j of the
2 public authorities law, as amended by chapter 262 of the laws of 2007,
3 is amended to read as follows:

4 (a) The corporation shall undertake and provide assistance in support
5 of the program to make financial assistance available to municipalities
6 to encourage and support the planning, development and construction of
7 municipal water pollution control projects in accordance with the
8 provisions of this section, section 17-1909 of the environmental conser-
9 vation law, and to make financial assistance available to eligible
10 borrowers through linked deposits made in accordance with article
11 sixteen of the state finance law. Moneys of the fund shall be allocated
12 to municipalities for eligible projects in proportion to the population
13 of such municipality and shall not be subject to a dollar amount limita-
14 tion.

15 § 2. Paragraph g of subdivision 1 of section 17-1909 of the environ-
16 mental conservation law, as amended by chapter 262 of the laws of 2007,
17 is amended to read as follows:

18 g. "Intended use plan" means the plan prepared pursuant to subdivision
19 two of this section, identifying the intended uses of the amounts avail-
20 able in the fund, including but not limited to: (i) a list of those
21 projects for construction of publicly owned treatment works on the
22 priority list developed pursuant to subdivision two of this section;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD02991-01-5

1 (ii) a list of projects developed pursuant to subdivision two of this
2 section anticipated to be financed by the fund through the water
3 pollution control linked deposit program; (iii) a description of the
4 short and long term goals and objectives of the fund; (iv) information
5 on the activities to be supported, including a description of project
6 categories, discharge requirements under the Federal Water Pollution
7 Control Act, terms of financial assistance, and eligible borrowers
8 pursuant to the water pollution control linked deposit program served;
9 (v) the criteria and method established for the distribution of funds;
10 and (vi) the amount of moneys from the fund[~~, not to exceed ten million~~
11 ~~dollars annually,~~] to be made available for linked loans under the water
12 pollution control linked deposit program during the period covered by
13 such intended use plan.

14 § 3. Paragraph a of subdivision 3 of section 17-1909 of the environ-
15 mental conservation law, as amended by chapter 284 of the laws of 2024,
16 is amended to read as follows:

17 a. The corporation is authorized to promulgate regulations, developed
18 in consultation with the commissioner and the director of the division
19 of the budget, for the purpose of carrying out its responsibilities
20 under this section, including establishing criteria and standards for
21 determining the amount of financial assistance to a municipality for an
22 eligible project; provided, however, that such regulations shall provide
23 that moneys of the fund shall be allocated to municipalities for eligi-
24 ble projects in proportion to the population of such municipality and
25 shall not be subject to a dollar amount limitation. To the extent finan-
26 cial assistance to a municipality for an eligible project is provided as
27 a loan from the proceeds of bonds or notes of the corporation, the
28 amount of an allocation applicable to the portion of such eligible
29 project financed with such loan shall be, subject to such maximum finan-
30 cial limitations as may otherwise be necessary and prescribed by the
31 commissioner and the director of the division of the budget, thirty-
32 three and one-third percent of the principal amount of such loan
33 outstanding at any time for such eligible project, to the extent reason-
34 ably practicable, and subject to such deviation as may be necessary, in
35 connection with the administration and investment of moneys in the fund,
36 unless allocations in differing amounts are necessary to preclude a
37 determination by the commissioner or the corporation pursuant to para-
38 graph e of subdivision eight of this section or unless an allocation in
39 a differing amount is required for an innovative technology demon-
40 stration project; provided, however, that in the case of any munici-
41 pality which has, during the period commencing on June first, nineteen
42 hundred ninety-two and ending on September thirtieth, two thousand twen-
43 ty-seven, (i) submitted an application for financial assistance in the
44 form of such a loan for an eligible project, which application has been
45 accepted by the corporation, (ii) closed on such loan, and (iii)
46 commenced construction of such eligible project, the allocation applica-
47 ble to the portion of such project financed with such loan shall be,
48 subject to maximum financial limitations as may otherwise be necessary
49 and prescribed by the commissioner and the director of the division of
50 the budget, fifty percent of the principal balance outstanding on such
51 loan at any time for such eligible project, to the extent reasonably
52 practicable, and subject to such deviation as may be necessary, in
53 connection with the administration and investment of moneys in the fund,
54 unless allocations in differing amounts are necessary to preclude a
55 determination by the commissioner or the corporation pursuant to para-
56 graph e of subdivision eight of this section or unless an allocation in

1 a differing amount is required for an innovative technology demon-
2 stration project.

3 § 4. Subdivision 1 of section 1162 of the public health law, as
4 amended by chapter 134 of the laws of 2007, is amended to read as
5 follows:

6 1. The corporation is authorized to promulgate regulations, developed
7 in consultation with the commissioner and the director of the division
8 of the budget, for the purpose of carrying out its responsibilities
9 under this title, including establishing criteria and standards for
10 determining the amount and kind of financial assistance to a recipient
11 for an eligible project. To the extent financial assistance to a recipi-
12 ent for an eligible project is provided from the proceeds of bonds or
13 notes of the corporation, the amount of an allocation applicable to the
14 portion of such eligible project financed with such financial assistance
15 shall be determined by the corporation in accordance with such regu-
16 lations, if any; provided, however, that such regulations shall provide
17 that moneys of the fund shall be allocated to municipalities for eligi-
18 ble projects in proportion to the population of such municipality and
19 shall not be subject to a dollar amount limitation.

20 § 5. Paragraph (b) of subdivision 1 of section 1285-m of the public
21 authorities law, as added by chapter 134 of the laws of 2007, is amended
22 to read as follows:

23 (b) There is hereby established in the custody of the corporation a
24 special fund to be known as the drinking water revolving fund. Except as
25 otherwise provided by this paragraph, moneys in the drinking water
26 revolving fund shall be segregated from all other funds of or in the
27 custody of the corporation subject to any rights of holders of corpo-
28 ration bonds or notes issued for the purposes of this section. Moneys
29 in the drinking water revolving fund shall only be used in accordance
30 with the provisions of this section and title four of article eleven of
31 the public health law; provided that, in addition, to the extent permit-
32 ted by federal or state law, moneys in the drinking water revolving fund
33 may be transferred to and used for the purposes authorized for the water
34 pollution control revolving fund, and moneys in the water pollution
35 control revolving fund may be transferred to and used for the purposes
36 authorized for the drinking water revolving fund. The moneys in the
37 drinking water revolving fund shall be applied to or paid out for
38 authorized purposes of such fund in accordance with subdivision four of
39 this section and title four of article eleven of the public health law.
40 To the extent approved by the commissioner of health and the commission-
41 er of environmental conservation and notwithstanding the provisions of
42 paragraph (a) of this subdivision, moneys in the drinking water revolv-
43 ing fund and in the water pollution control revolving fund may be held
44 together; provided that all such moneys are segregated from all other
45 funds of or in the custody of the corporation subject to any rights of
46 holders of corporation bonds or notes issued for the purposes of this
47 section; provided further, that the corporation shall establish and
48 maintain or cause there to be established and maintained a system of
49 tracking the application of such moneys to the purposes of this section.
50 The corporation may establish within the drinking water revolving fund
51 additional accounts or subaccounts and specify any conditions applicable
52 to the transfer of moneys between such accounts or subaccounts. With
53 respect to each eligible project, the corporation shall establish and
54 maintain a record of the allocation provided for the benefit of such
55 project in accordance with the terms of the applicable financing agree-
56 ment. Moneys of the fund shall be allocated to municipalities for eligi-

1 ble projects in proportion to the population of such municipality and
2 shall not be subject to a dollar amount limitation.
3 § 6. This act shall take effect immediately.
