

# STATE OF NEW YORK

9524

## IN ASSEMBLY

January 14, 2026

Introduced by M. of A. SIMON -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to establishing a chief sustainability officer

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The executive law is amended by adding a new section 94-e  
2 to read as follows:

3 § 94-e. Chief sustainability officer. 1. Purpose. The chief sustaina-  
4 bility officer shall coordinate efforts across all agencies and other  
5 state government entities to address climate change mitigation and  
6 climate sustainability efforts in New York state.

7 2. Definitions. For the purposes of this section:

8 (a) "Officer" shall mean the chief sustainability officer appointed  
9 pursuant to this section.

10 (b) "State agency" or "state agencies" shall mean any state depart-  
11 ment, board, bureau, division, commission, committee, public authority,  
12 public corporation, council, office or other governmental entity  
13 performing a governmental or proprietary function of the state, except  
14 the judiciary or the state legislature.

15 3. The governor shall appoint a chief sustainability officer. Such  
16 chief sustainability officer shall accomplish the duties set forth in  
17 this section in an effort to advise and assist state agencies in an  
18 ongoing coordinated response to address climate change. Such chief  
19 sustainability officer shall receive a salary, to be fixed by the gover-  
20 nor within the amounts appropriated therefor.

21 4. The chief sustainability officer shall:

22 (a) Review rules and regulations of state agencies and submit proposed  
23 amendments and/or additions of such rules and regulations to such agen-  
24 cies for consideration that the officer shall deem appropriate or neces-  
25 sary to help mitigate negative impacts of climate change and promote  
26 climate sustainability;

27 (b) Coordinate policy to promote energy and environmental sustainabil-  
28 ity across state government operations, including the office of general

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 services, the New York state energy research and development authority,  
2 the department of environmental conservation, and the department of  
3 state;

4 (c) Work with state agencies and departments to ensure effective  
5 implementation and achievement of statutory requirements and state goals  
6 related to energy and environmental protection;

7 (d) Coordinate implementation of programs and initiatives to improve  
8 state facility and vehicle fleet efficiency and promote adoption of  
9 energy efficient technologies and the modernization of state facilities  
10 and operations;

11 (e) Design and share with state agencies and departments strategies  
12 that can be used to leverage state facilities and assets to advance the  
13 conservation of natural resources and highlight best environmental,  
14 technological and policy strategies to reach the highest energy effi-  
15 ciency standards reasonably possible;

16 (f) Develop sustainable practices to plan for and mitigate enterprise  
17 risks while reducing waste and to help strengthen commercial, cultural,  
18 and political cooperation and engagement;

19 (g) Advise state agencies and departments in best practices for envi-  
20 ronmental regulatory compliance, reporting, partnerships and outreach,  
21 and environmental sustainability innovation;

22 (h) Assist the department of state in reducing its use of natural  
23 resources through improving energy and water efficiency, and providing  
24 data and tools that protect the health of the state government's person-  
25 nel and employees and their families;

26 (i) Partner with private sector businesses, public and private univer-  
27 sities, and government agencies to improve environmental sustainability  
28 across the state;

29 (j) Participate in inter-agency working groups that develop environ-  
30 mental requirements and guidance for state agencies;

31 (k) Act as a representative of New York state at the United States  
32 Climate Alliance and other national and international organizations  
33 focused on climate science and sustainability research and goals that  
34 the chief sustainability officer shall deem appropriate;

35 (l) Inform the governor, secretary, legislature, and state agencies  
36 and other governmental entities of the latest research and developments  
37 in the field of climate science;

38 (m) Advise and assist the New York state climate action council estab-  
39 lished pursuant to section 75-0103 of the environmental conservation law  
40 in such duties of such council that the chief sustainability officer  
41 shall deem appropriate; and

42 (n) Be the state's coordinator for the implementation of the climate  
43 leadership and community protection act.

44 5. All state agencies shall cooperate with the chief sustainability  
45 officer to ensure that the chief sustainability officer is able to  
46 fulfill the requirements under this section.

47 § 2. This act shall take effect on the first of January next succeed-  
48 ing the date on which it shall have become a law.
