

STATE OF NEW YORK

9528

IN ASSEMBLY

January 14, 2026

Introduced by M. of A. PHEFFER AMATO -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to staffing standards for employees performing emergency medical services in the 911 system in a city with a population of over one million people

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 3005-a of the public health law,
2 as amended by chapter 445 of the laws of 1993, is amended to read as
3 follows:
4 1. The following staffing standards shall be in effect unless other-
5 wise provided by this section:
6 (a) effective January first, nineteen hundred ninety-seven the minimum
7 staffing standard for a registered ambulance service shall be a certi-
8 fied first responder with the patient;
9 (b) effective January first, two thousand, the minimum staffing stand-
10 ard for a voluntary ambulance service shall be an emergency medical
11 technician with the patient;
12 (c) (i) the minimum staffing standard for ambulance units responding
13 to calls for emergency medical services in the 911 system in a city with
14 a population of over one million people shall be (1) a team of two
15 certified emergency medical technicians; or (2) a team of two certified
16 advanced emergency medical technicians.
17 (ii) the minimum standard for staffing supervisors' vehicles respond-
18 ing to calls for emergency medical services in the 911 system in a city
19 with a population of over one million people shall be a team of one
20 supervisor who is certified either as an emergency medical technician or
21 as an advanced emergency medical technician, paired with one certified
22 emergency medical technician or advanced emergency medical technician;
23 (d) the minimum staffing standard for all other ambulance services
24 shall be an emergency medical technician with the patient; and
25 [~~d~~] (e) the minimum staffing standard for an advanced life support
26 first response service shall be an advanced emergency medical technician
27 with the patient. Circumstances permitting other than advanced life

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [~~-~~] is old law to be omitted.

LBD11189-04-5

1 support care by an advanced life support first response service may be
2 established by rule by the state council, subject to the approval of the
3 commissioner.

4 § 2. This act shall take effect immediately.
