

STATE OF NEW YORK

IN ASSEMBLY

January 21, 2026

Introduced by M. of A. PHEFFER AMATO -- read once and referred to the Committee on Governmental Employees

AN ACT to amend the retirement and social security law, in relation to accidental disability retirement for sheriffs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 3 of subdivision e of section 556 of the retire-
2 ment and social security law, as added by chapter 165 of the laws of
3 1995, is amended to read as follows:

4 3. A pension of [~~two-thirds~~] three-quarters of [~~his or her~~] the
5 member's final average salary. The payment of such pension shall be
6 subject to the provisions of section [~~three hundred~~] sixty-four of this
7 chapter.

8 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will increase the accidental disability retirement benefit for deputy sheriffs covered under Article 14-B of the Retirement and Social Security Law (RSSL). The proposed benefit is 75% of final average salary (FAS) minus Workers' Compensation. The current benefit is two-thirds of FAS minus Workers' Compensation.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), accrued benefits would increase by approximately \$5.6 million.

Benefit improvements would be funded by increasing the billing rates charged annually. The annual contribution required by all participating employers in NYSLERS would increase 0.02% of billable salary, or approximately \$280,000 to the state of New York and \$420,000 to the local participating employers.

Additionally, there would be a cost for future service accruals which would increase the annual billing rates for RSSL sections 551, 552, and 553 by 0.3% of salary.

Employer costs would vary according to their plan coverage and salary reported in RSSL sections 551, 552, and 553.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [~~-~~] is old law to be omitted.

These estimated costs are based on 3,116 affected members, with annual salary of approximately \$328 million as of March 31, 2025.
