1 c. Agreements. The president shall, in consultation with the commis-  
 2 sioner, develop and secure from each successful applicant a written  
 3 agreement to serve as a nursing educator or adjunct clinical nurse  
 4 faculty in New York. Within such time as the commissioner shall by regu-  
 5 lation provide, a recipient of an award shall have served for that  
 6 number of months calculated by multiplying by nine the number of equal-  
 7 ized annual payments received by the recipient. In no case shall the  
 8 total number of months of service required be less than eighteen. If a  
 9 recipient fails to comply fully with such conditions, the president  
 10 shall be entitled to receive from such recipient an amount to be deter-  
 11 mined by the formula:

$$\frac{A = 2B (t-s)}{t}$$

15 in which "A" is the amount the president is entitled to recover; "B" is  
 16 the sum of all payments made to the recipient by the president and the  
 17 interest on such amount which would be payable if at the times such  
 18 awards were paid they were loans bearing interest at the maximum  
 19 prevailing rate; "t" is the total number of months in the recipient's  
 20 period of obligated services; and "s" is the number of months of service  
 21 actually rendered by the recipient. Any amount which the president is  
 22 entitled to recover under this paragraph shall be paid within the five-  
 23 year period beginning on the date that the recipient failed to comply  
 24 with this service condition. Nothing in the written agreement shall  
 25 affect the terms of employment of the individual who shall negotiate,  
 26 separate and apart from the program, their salary and other forms of  
 27 employment with an agency, institution, or a program in which they shall  
 28 be employed.

29 Any obligation to comply with such provisions as outlined in this  
 30 section shall be cancelled upon the death of the recipient. The commis-  
 31 sioner shall make regulations to provide for the waiver or suspension of  
 32 any financial obligation which would involve extreme hardship.

33 d. Reporting. A recipient of an award shall report annually to the New  
 34 York state higher education services corporation, on forms prescribed by  
 35 the president, as to the performance of the required services, commenc-  
 36 ing with the calendar year in which the recipient begins to engage in  
 37 the teaching or training of nursing students in a degree program at an  
 38 accredited nursing school in this state and continuing until the recipi-  
 39 ent shall have completed, or it is determined that the recipient shall  
 40 not be obligated to complete, the required services. If the recipient  
 41 shall fail to file any report required pursuant to this paragraph within  
 42 thirty days of written notice to the recipient, mailed to the address  
 43 shown on the last application for an award or last report filed, which-  
 44 ever is later, the president of the corporation may impose a fine of up  
 45 to one thousand dollars. The president shall have the discretion to  
 46 waive the filing of a report, excuse a delay in filing or a failure to  
 47 file a report, or waive or reduce any fine imposed for good cause shown.

48 e. Other awards. Award recipients shall be eligible to apply for addi-  
 49 tional awards.

50 § 2. The education law is amended by adding a new section 671-a to  
 51 read as follows:

52 § 671-a. New York state nursing faculty scholarship incentive program.  
 53 1. Number and certification. Thirty nursing scholarships for advanced  
 54 degrees in nursing shall be awarded each academic year beginning in the

1 two thousand twenty-seven--two thousand twenty-eight academic year. Such  
2 scholarships shall be allocated as provided in subdivision thirteen of  
3 section six hundred five of this title to eligible students as certified  
4 to the president by the commissioner, except that, in so far as is prac-  
5 ticable, one-half of such scholarships shall be awarded to masters  
6 degree candidates and one-half to doctoral degree candidates.

7 2. Duration. Each scholarship shall entitle the recipient to an annual  
8 award while enrolled in an approved course of study leading to an  
9 advanced degree in nursing or nursing education, but not exceeding the  
10 period of study required to complete the program, as such progress,  
11 approved courses and expected periods of study are defined by the  
12 commissioner pursuant to article thirteen of this title.

13 3. Amount. The president shall make awards of fifteen thousand  
14 dollars, or a prorated annual amount based on the number of credit hours  
15 in which the recipient is enrolled, except that such annual award shall  
16 not exceed the recipient's cost of attendance. "Cost of attendance"  
17 shall mean the cost of: tuition at an approved masters or doctoral  
18 program in nursing or nursing education, which the commissioner deter-  
19 mines will enhance the recipient's proficiency as a nursing educator;  
20 laboratory and other fees; room and board; supplies; transportation;  
21 health insurance coverage; books; child care; and stipend for daily  
22 living expenses in an amount to be determined by the president in  
23 consultation with the commissioner.

24 § 3. This act shall take effect immediately.
