

STATE OF NEW YORK

10721

IN SENATE

October 16, 2026

Introduced by Sen. SUTTON -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the racing, pari-mutuel wagering and breeding law, in relation to limiting self-exclusion lists to online platforms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivisions 1 and 2 of section 1344 of the racing, pari-
2 mutuel wagering and breeding law, as added by chapter 174 of the laws of
3 2013, are amended to read as follows:

4 1. The commission shall provide by regulation for the establishment of
5 a list of persons self-excluded from gaming activities at all licensed
6 gaming facilities and/or on online platforms. Any person may request
7 placement on the list of self-excluded persons by acknowledging in a
8 manner to be established by the commission that the person is a problem
9 gambler and by agreeing that, during any period of voluntary exclusion,
10 the person may not collect any winnings or recover any losses resulting
11 from any gaming activity at such gaming facilities and/or on online
12 platforms.

13 2. The regulations of the commission shall establish procedures for
14 placements on, and removals from, the list of self-excluded persons
15 including procedures for a person to self-exclude only on online plat-
16 forms. Such regulations shall establish procedures for the transmittal
17 to licensed gaming facilities and/or online platforms of identifying
18 information concerning self-excluded persons, and shall require licensed
19 gaming facilities and/or online platforms to establish procedures
20 designed, at a minimum, to remove self-excluded persons from targeted
21 mailings or other forms of advertising or promotions and deny self-ex-
22 cluded persons access to credit, complimentaries, check cashing privi-
23 leges, club programs, and other similar benefits.

24 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
