

STATE OF NEW YORK

1377

2025-2026 Regular Sessions

IN SENATE

January 9, 2025

Introduced by Sens. SERRANO, COONEY, HINCHEY, JACKSON, MAY, ROLISON, WEBB -- read twice and ordered printed, and when printed to be committed to the Committee on Cultural Affairs, Tourism, Parks and Recreation

AN ACT creating a legislative task force on outdoor environmental education and recreation that will benefit residents of New York state by stewardship and conservation of the environment, an appreciation of the importance of the wise use of natural resources as well as acknowledgment of the health benefits of time spent in nature

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. (a) The legislature hereby finds that
2 in the last two decades, childhood has moved indoors. The average Ameri-
3 can child spends just four to seven minutes each day in unstructured
4 outdoor play, and more than seven hours each day in front of an elec-
5 tronic screen. The decline in the appreciation and prevalence of outdoor
6 recreation opportunities profoundly impacts the wellness of our state's
7 youth. The correlation between increasing childhood obesity rates and
8 the decline in outdoor recreation is undeniable.
9 (b) The legislature further finds that visual and physical access to
10 basic types of open space is vital for everyone, and particularly valu-
11 able to children growing up in "urban hardscapes", or areas where access
12 to nature is limited.
13 (c) The legislature further finds that the development of policies
14 that foster stewardship of the environment, the importance of the wise
15 use of natural resources and recognition of the health benefits of time
16 spent in nature are essential to the residents of New York state. The
17 legislature concludes that this can best be accomplished by the creation
18 of a task force on outdoor environmental education and recreation.
19 § 2. Objectives. A legislative task force on outdoor environmental
20 education and recreation is hereby established to:
