7 cancer including, but not limited to: information on early detections
8 and treatments of such cancers; contact information, including but not
9 limited to, the program's phone number, contact email, and website for
10 the purposes of the department educating patients; and a telephone
11 number for the office of professional medical conduct in the department
12 and the office of the professions in the department of education, at
13 which a patient may report any misconduct that the patient feels may
14 have occurred. The informational pamphlet shall be posted as a print-
15 able file on the department's internet website and may also be made
16 available for order as a printed deliverable on the department's inter-
17 net website. The informational pamphlet shall be written in layperson's
18 language and shall be made available in English and the six most common
19 non-English languages spoken by individuals with limited English profi-
20 ciency in New York state as based on the most recent census.

21 § 2. Section 2408 of the public health law, as amended by chapter 430
22 of the laws of 2005, is amended to read as follows:

23 § 2408. Annual report. The commissioner shall submit on or before
24 December first, an annual report to the governor and the legislature
25 concerning the operation of the breast ~~[and]~~, cervical, ovarian, colon,
26 prostate and testicular cancer detection and education program.
27 ~~[Commencing in nineteen hundred ninety five, such]~~ Such reports shall
28 include the experience of the program in providing breast, cervical,
29 ovarian, colon, prostate and testicular cancer early detection and diag-
30 nostic services. The annual report shall include strategies for imple-
31 mentation of the breast, cervical, ovarian, colon, prostate and testicu-
32 lar cancer prevention plan and for promoting the plan to the general
33 public, state and local elected officials, and various public and
34 private organizations, associations, businesses, industries, and agen-
35 cies. Approved organizations shall provide such data and assessment as
36 the commissioner may require for such report. Such report shall also
37 include any recommendations for additional action to respond to the high
38 incidence of breast cancer in this state.

39 § 3. Section 2409 of the public health law, as added by chapter 300 of
40 the laws of 1995 and subdivisions 5 and 6 as renumbered by section 72 of
41 part D of chapter 60 of the laws of 2012, is amended to read as follows:

42 § 2409. ~~[Ovarian]~~ Breast, cervical, ovarian, colon, prostate and
43 testicular cancer information program. 1. There is hereby created within
44 the department the ~~[ovarian]~~ breast, cervical, ovarian, colon, prostate
45 and testicular cancer information program (referred to in this section
46 as the "program"), which shall provide information for consumers,
47 patients, and health care providers relating to breast, cervical, ovarian,
48 colon, prostate and testicular cancer, including signs and symptoms,
49 risk factors, the benefits of early detection through appropriate diag-
50 nostic testing and treatment options.

8 the purposes of the department educating patients; and a telephone
9 number for the office of professional medical conduct in the department
10 and the office of the professions in the department of education, at
11 which a patient may report any misconduct that the patient feels may
12 have occurred. The informational pamphlet shall be posted as a print-
13 able file on the department's internet website and may also be made
14 available for order as a printed deliverable on the department's inter-
15 net website. The informational pamphlet shall be written in
16 layperson's language and shall be made available in English and the six
17 most common non-English languages spoken by individuals with limited
18 English proficiency in New York state as based on the most recent
19 census.

20 3. The department shall produce, make available to others for reprod-
21 uction, or contract with others to develop the materials mentioned in
22 this section as the commissioner deems appropriate. These materials
23 shall be made available to the public free of charge as appropriate or
24 for a fee under certain circumstances. The commissioner shall require,
25 where appropriate, health care providers to provide or make these mate-
26 rials available to patients.

27 4. In exercising any of [~~his or her~~] their powers under this section,
28 the commissioner shall consult with appropriate health care profes-
29 sionals, providers, consumers and patients, or organizations represent-
30 ing them.

31 5. In addition to any state funds appropriated for the program, the
32 commissioner may accept grants from public or private sources for the
33 program. The commissioner, in administering this section, shall seek to
34 coordinate the program with other public and private efforts, and may
35 undertake joint or cooperative programs with other public or private
36 entities.

37 6. The commissioner may make rules and regulations necessary and
38 appropriate for the implementation of this section.

39 § 4. Subdivisions 1 and 3 of section 2409-a of the public health law,
40 as amended by section 6 of part A of chapter 60 of the laws of 2014, are
41 amended to read as follows:

42 1. There is hereby established in the department the cancer detection
43 and education program advisory council, for the purpose of advising the
44 commissioner with regards to providing information to consumers,
45 patients, and health care providers relating, but not limited to,
46 breast, cervical, colon, prostate, testicular and ovarian cancer,
47 including signs and symptoms, risk factors, the benefits of prevention
48 and early detection, guideline concordant cancer screening and disease
49 management, options for diagnostic testing and treatment, new technolo-
50 gies, and survivorship.

52 shall include representation of health care professionals, consumers,
53 patients, one voting member who shall be a person who has or has had
54 colon, prostate or testicular cancer, one voting member who shall be a
55 person who has or has had breast, cervical or ovarian cancer and other
56 appropriate interests reflective of the diversity of the state, with

1 expertise in breast, cervical, colon, prostate, testicular and/or ovari-
2 an cancer. The commissioner shall appoint one member as a chairperson.
3 The members of the council shall receive no compensation for their
4 services, but shall be allowed their actual and necessary expenses
5 incurred in performance of their duties.

6 § 5. The sum of twenty-six million eight hundred thousand dollars
7 (\$26,800,000), or so much thereof as may be necessary, is hereby appro-
8 priated to the New York state cancer services program out of any moneys
9 in the state treasury in the general fund to the credit of the depart-
10 ment of health, not otherwise appropriated, and made immediately avail-
11 able, for the purpose of carrying out the provisions of this act. Such
12 moneys shall be payable on the audit and warrant of the comptroller on
13 vouchers certified or approved by the commissioner of health in the
14 manner prescribed by law.

15 § 6. This act shall take effect on the ninetieth day after it shall
16 have become a law.
