Introduced by Sen. HOYLMAN-SIGAL -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to prohibiting the sale of certain products that contain regulated perfluoroalkyl and polyfluoroalkyl substances

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 37-0123 to read as follows:

§ 37-0123. Prohibition against the sale of perfluoroalkyl and polyfluoroalkyl substances in consumer and household products.

1. For purposes of this section, the following terms have the following definitions:

(a) "Covered product" means textile articles, rugs, fabric treatments, ski waxes, architectural paints, cleaning products, dental floss, or a component thereof.

(b) "Regulated perfluoroalkyl and polyfluoroalkyl substances" or "regulated PFAS" means PFAS that are any of the following:

(i) an intentionally added chemical as defined in subdivision four of section 37-0121 of this title; or

(ii) present in a product or product component at or above a level that the department shall establish by regulation, as measured in total organic fluorine, that is the lowest level that can feasibly be achieved; provided, however, that the department shall review such level at least every five years to determine whether it should be lowered.

(c) "Architectural paint" means interior and exterior architectural coatings; provided, however, that "architectural paint" shall not include industrial, original equipment or specialty coatings.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD00719-01-5

(d) "Cleaning product" means a finished product that is an air care product, automotive product, general cleaning product, or a polish or floor maintenance product used primarily for janitorial, domestic, or institutional cleaning purposes. "Cleaning product" shall not mean any of the following:

(i) foods, drugs, cosmetics and personal care products as defined in section 37-0117 of this title; or

(ii) industrial products specifically manufactured for, and exclusively used in the following: oil and gas production; steel production; heavy industry manufacturing; industrial water treatment; industrial textile maintenance and processing other than industrial laundering; food and beverage processing and packaging; or other industrial manufacturing processes.

(e) "Air care product" means a chemically formulated consumer product labeled to indicate that the purpose of the product is to enhance or condition the indoor environment by eliminating unpleasant odors or freshening the air.

(f) "Automotive product" means a chemically formulated consumer product labeled to indicate that the purpose of the product is to maintain the appearance of a motor vehicle, as defined in section one hundred twenty-five of the vehicle and traffic law, including products for washing, waxing, polishing, cleaning, or treating the exterior or interior surfaces of motor vehicles. "Automotive product" does not include automotive paint or paint repair products.

(g) "General cleaning product" means a soap, detergent, or other chemically formulated consumer product labeled to indicate that the purpose of the product is to clean, disinfect, or otherwise care for fabric, dishes, or other wares; surfaces including, but not limited to, floors, furniture, countertops, showers, and baths; or other hard surfaces, such as stovetops, microwaves, and other appliances.

(h) "Polish or floor maintenance product" means a chemically formulated consumer product, such as polish, wax, a stripper, or a restorer, labeled to indicate that the purpose of the product is to polish, protect, buff, condition, temporarily seal, strip, or maintain furniture, floors, metal, leather, or other surfaces.

(i) "Fabric treatment" means a substance applied to a fabric for stain, grease, or water resistance.

(j) "Manufacturer" means a person, firm, association, partnership or corporation:

(i) that produces or manufactures a covered product or whose brand name is affixed to the covered product; or

(ii) in the case of a covered product imported into the United States, "manufacturer" means the importer or first domestic distributor of the product if the person that manufactured or assembled the covered product or whose brand name is affixed to the product does not have a presence in the United States.

(k) "Rugs" means any consumer products made from natural or synthetic fabric intended to be used as a floor covering, other than carpets, and includes handmade rugs, area rugs, or mats. "Rug" does not include a rug or mat intended solely for use inside: (i) a motor vehicle, as defined by section one hundred twenty-five of the vehicle and traffic law; (ii) a vessel, as defined by section two of the navigation law; or (iii) an aircraft, as defined by section two hundred and forty of the general business law.

(l) "Ski wax" means a lubricant applied to the bottom of snow runners, including skis and snowboards, to improve their grip and glide properties.

(m) "Textile" means any item made in whole or in part from a natural, man-made, or synthetic fiber, yarn, or fabric. Textile includes, but is not limited to, the following: leather, cotton, silk, jute, hemp, wool, viscose, nylon, or polyester. "Textile" does not include single-use paper hygiene products, including, but not limited to, toilet paper, paper towels or tissues, or single-use absorbent hygiene products. For the purposes of this subdivision, "single-use" means conventionally disposed of after a single use or not sufficiently durable or washable to be, or not intended to be, reusable or refillable.

(n) "Textile articles" means textile goods customarily used in households and businesses including, but not limited to, handbags, luggage, backpacks, footwear, costumes and accessories, draperies, shower curtains, furnishings, upholstery, beddings, towels, napkins, and tablecloths. For the purposes of this section, "textile article" does not include (i) rugs; (ii) personal protective equipment, including for medical purposes; (iii) items covered by section 37-0121 of this article; or (iv) any textile good intended solely for use inside: (A) a motor vehicle, as defined by section one hundred twenty-five of the vehicle and traffic law; (B) a vessel, as defined by section two of the navigation law; (C) an aircraft, as defined by section two hundred and forty of the general business law; or (D) textile articles used for laboratory analysis and testing.

(o) "Dental floss" means a thread, cord, string or similar material that is used for cleaning between teeth. Dental floss includes floss picks and other flossing tools.

2. (a) No person shall sell or offer for sale in the state any covered product that contains regulated perfluoroalkyl and polyfluoroalkyl substances pursuant to subparagraph (i) of paragraph (b) of subdivision one of this section.

(b) Commencing on January first, two thousand twenty-seven, no person shall sell or offer for sale in the state any covered product that contains regulated perfluoroalkyl and polyfluoroalkyl substances pursuant to subparagraph (ii) of paragraph (b) of subdivision one of this section.

(c) The prohibition, sale or offer of sale under this section does not apply to the sale or resale of used products.

3. (a) A manufacturer of a covered product sold into the state shall provide persons that offer the product for sale in the state with a certificate of compliance. The certificate of compliance shall provide assurance, at a minimum, that the product does not contain any regulated PFAS. Any certificate of compliance provided under this paragraph shall be signed by an authorized official of the manufacturer.

(b) In addition to any other applicable penalties, it shall be a violation of this section to provide a certificate of compliance under paragraph (a) of this subdivision when a product is knowingly in violation of the requirements of this section.

4. If the department has reason to believe that a covered product contains regulated perfluoroalkyl and polyfluoroalkyl substances and is being sold or offered for sale in violation of this section, the manufacturer of the covered product within thirty days shall:

(a) provide the department with independent, third-party laboratory test results demonstrating that the covered product does not contain regulated PFAS; or

(b) notify persons who sell that covered product in this state that the sale of that covered product is prohibited in this state and provide the department with a list of the names and addresses of those notified.

5. A retailer of a product, who is not also the manufacturer of the product, shall not be held in violation of this section if it can show that such retailer relied in good faith on the certificate of compliance provided for in paragraph (a) of subdivision three of this section.

§ 2. Section 71-3703 of the environmental conservation law is amended by adding a new subdivision 8 to read as follows:

8. Any person who violates any of the provisions of, or who fails to perform any duty imposed by section 37-0123 of this chapter or any rule or regulation promulgated pursuant thereto, shall be liable for a civil penalty not to exceed one thousand dollars for each day, and in addition thereto, such person may be enjoined from continuing such violation. Such person shall for a second violation be liable to the people of the state for a civil penalty not to exceed two thousand five hundred dollars.

§ 3. Subparagraphs (lx), (lxi), (lxii), (lxiii), (lxiv), (lxv), (lxvi), (lxvii), (lxviii), (lxix), (lxx), (lxxi), (lxxii), (lxxiii), (lxxiv), (lxxv), (lxxvi) and (lxxvii) of paragraph (b) of subdivision 1 of section 37-0905 of the environmental conservation law, as added by section 1 of subpart AA of part XX of chapter 55 of the laws of 2020, are amended to read as follows:
