12 lars, flyers, brochures, letterheads and other printed matter purchased  
13 or produced, and reproductions of statements or information published to  
14 five hundred or more members of a general public audience by computer or

17 authority of the person filing the statement or the committee or the  
18 person on whose behalf it is filed, as the case may be. Such copies,  
19 schedules and scripts shall be preserved by the officer with whom or the  
20 board with which it is required to be filed for a period of one year

1 tical committee which made the expenditure for such political communi-  
2 cation. The disclosure on printed or digital political communications,  
3 including but not limited to brochures, flyers, posters, mailings, or  
4 internet advertising, including social media posts made by individuals  
5 being paid by the campaign, shall be printed or typed in an appropriate  
6 legible form to read as follows: "Paid for by:" followed by the name of  
7 the political committee making the expenditure. The disclosure on non-  
8 printed or digital political communications shall clearly and prominent-  
9 ly display and/or speak the following statement: "Paid for by:"  
10 followed by the name of the political committee making the expenditure.  
11 In the case of a political communication that is not visual, such as  
12 radio or automated telephone calls, clearly speaking the statement will  
13 satisfy the requirements of this section.

14 3. Political communications that are considered promotional items  
15 which support a particular candidate, election, ballot measure or issue  
16 and limit the content of communication to the name, office and brief  
17 message of support, shall be exempt from the provisions of subdivision  
18 two of this section. Promotional items shall be items that are of nomi-  
19 nal value and are distributed to the general public in an effort to  
20 promote a particular candidate, election, ballot measure or issue  
21 including but not limited to pens, bumper stickers, yard signs, buttons,  
22 shirts, bags or balloons.

23 4. Political communication that is considered digital media which  
24 advertises for a particular candidate, election, ballot measure or issue  
25 which limits the content of communication to the name, office and brief  
26 message shall not be subject to the provisions of subdivision two of  
27 this section if such digital media is unable to contain the "paid for  
28 by" statement due to its small size and contains a link to another  
29 webpage where the "paid for by" statement is prominently displayed.  
30 Social media posts made on behalf of a particular candidate, election,  
31 ballot measure or other issue shall not be exempted from the provisions  
32 of this section.

33 5. (a) For purposes of this subdivision:

34 (i) "Materially deceptive media" means any image, video, audio, text,  
35 or any technological representation of speech or conduct fully or  
36 partially created or modified that:

37 (1) exhibits a high level of authenticity or convincing appearance  
38 that is visually or audibly indistinguishable from reality to a reason-  
39 able person;

40 (2) depicts a scenario that did not actually occur or that has been  
41 altered in a significant way from how they actually occurred; and

42 (3) is created by or with software, machine learning, artificial  
43 intelligence, or any other computer-generated or technological means,  
44 including adapting, modifying, manipulating, or altering a realistic  
45 depiction.

46 (ii) "Information content provider" means any person or entity that is  
47 responsible, in whole or in part, for the creation or development of  
48 information provided through the Internet or any other interactive  
49 computer service.

50 (b) (i) A person, firm, association, corporation, campaign, committee,  
51 or organization that distributes or publishes any political communi-  
52 cation that was produced by or includes materially deceptive media and  
53 has actual knowledge that it is materially deceptive shall be required  
54 to disclose this use.

55 (ii) (1) For visual media the disclosure shall be printed or typed in  
56 a legible font size easily readable by the average viewer that is no

1 smaller than other text appearing in the visual media and in the same  
2 language used on the communication to read as follows: "This (image,  
3 video, or audio) has been manipulated".

4 (2) For communication that is auditory, such as radio or automated  
5 telephone calls, clearly speaking the statement at the beginning of the  
6 audio, at the end of the audio, and, if the audio is greater than two  
7 minutes in length, interspersed within the audio at intervals of not  
8 greater than two minutes each and in the same language as the rest of  
9 the audio used in the communication, and in a pitch that can be easily  
10 heard by the average listener satisfies the requirements of clause one  
11 of this subparagraph.

12 (iii) This paragraph shall not apply to the following:

13 (1) materially deceptive media that constitutes satire or parody;

14 (2) materially deceptive media distributed by a bona fide news report-  
15 ing entity for the purpose of news reporting or coverage, if the report-  
16 ing clearly acknowledges through content or a disclosure, in a manner  
17 that can be easily read or heard by the average listener or viewer, that  
18 there are questions about the authenticity of the materially deceptive  
19 media;

20 (3) a radio or television broadcasting station, including a cable  
21 television, satellite television or streaming service operator, program-  
22 mer, producer or other similar entity, that broadcasts a political  
23 communication when the station or streaming service is paid to broadcast  
24 the political communication if the station or streaming service can show  
25 that it has disclaimer requirements that are consistent with the  
26 requirements provided in this paragraph and that it provided those  
27 disclaimer requirements to each person or entity that purchased the  
28 broadcast or streaming of the advertisement; or

29 (4) initial dissemination by a platform or service including, but not  
30 limited to, a website, regularly published newspaper, or magazine, where  
31 the content disseminated is materially deceptive media provided by  
32 another information content provider.

33 (iv) A candidate whose voice or likeness appears in materially decep-  
34 tive media in violation of this subdivision may seek reasonable court  
35 costs and attorneys' fees and injunctive relief prohibiting the distrib-  
36 ution, publication or broadcasting of any materially deceptive media in  
37 violation of this subdivision against such individual or entity who  
38 disseminated or published such media without the consent of the person  
39 depicted and who knew or should have known that it was materially decep-  
40 tive. An action under this paragraph shall be initiated by filing an  
41 application for an order to show cause in the supreme court where the  
42 materially deceptive media at issue could deceive and influence electors  
43 in an upcoming election. Such action shall be entitled to an automatic  
44 calendar preference and be subject to expedited pretrial and trial  
45 proceedings.

46 (v) In any action alleging a violation of this subdivision in which a  
47 plaintiff seeks preliminary relief with respect to an upcoming election,  
48 the court shall grant relief if it determines that:

49 (A) plaintiffs are more likely than not to succeed on the merits; and

50 (B) it is possible to implement an appropriate remedy that would  
51 resolve the alleged violation in the upcoming election.

52 (vi) In any action commenced under this subdivision, the plaintiff  
53 bears the burden of establishing the use of materially deceptive media  
54 by clear and convincing evidence.

55 6. Nothing in this section shall be construed to limit, or to enlarge,  
56 the protections that 47 U.S.C. § 230 confers on an interactive computer

1 service for content provided by another information content provider, as  
2 such terms are defined in 47 U.S.C. § 230.

3 7. Nothing in this section shall be construed to require entities to  
4 cancel, edit, or insert video or audio labels into political communi-  
5 cations where such action is inconsistent with federal law.

6 8. The state board of elections is authorized to promulgate additional  
7 regulations pertaining to the method of filing statements required to be  
8 provided pursuant to this section. Such regulations shall be promulgated  
9 within ninety days of the effective date of this subdivision.

10 § 2. This act shall take effect on the ninetieth day after it shall  
11 have become a law.
