AN ACT to amend the tax law, in relation to establishing the fresh air jobs tax credit

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "fresh air jobs act".

3 § 2. Section 210-B of the tax law is amended by adding a new subdivi-
4 sion 61 to read as follows:

5 61. Fresh air jobs tax credit. (a) Allowance of credit. For taxable
6 years beginning on or after January first, two thousand twenty-six, an
7 eligible taxpayer shall be allowed a credit, to be computed as provided
8 in this subdivision, against the tax imposed by this article, for hiring
9 and employing, for not less than twenty-four months, a qualified employ-
10 ee. The taxpayer may claim the credit in the year in which the qualified
11 employee completes twenty-four months of employment by the taxpayer. If
12 the taxpayer claims the credit allowed under this section, the taxpayer
13 may not use the hiring of a qualified employee that is the basis for
14 this credit in the basis of any other credit allowed under this article.

15 (b) Definitions. (i) The term "qualified employee" shall mean an indi-
16 vidual who is a resident of New York state.

17 (ii) The term "eligible taxpayer" shall mean a business participating
18 in the development or production of clean wind energy buildout programs
19 in this state.

20 (c) Employer prohibition. An employer shall not discharge an employee
21 and hire a qualifying employee solely for the purpose of qualifying for
22 this credit.

23 (d) Amount of credit. The amount of credit shall be ten percent of the

qualified employee was receiving unemployment insurance benefits at the time of hire for a minimum of thirteen weeks, the amount of the credit shall be fifteen percent of the total amount of wages paid to the qualified employee during the employee's second full year of employment. The credit allowed pursuant to this subdivision shall not exceed in any taxable year, five thousand dollars for any qualified employee and ten thousand dollars for any qualified employee who was receiving unemployment insurance benefits at the time of hire for a minimum of thirteen weeks.

(e) Carryovers. The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credit allowable under this subdivision for any taxable year reduces the tax to such amount or if the taxpayer otherwise pays tax based on the fixed dollar minimum amount, any amount of credit not deductible in such taxable year may be carried over to the following three years and may be deducted from the taxpayer's tax for such year or years.

(f) If an eligible taxpayer provides continuing education or job training to a qualified employee under this subsection, such taxpayer shall be eligible to receive the tax credit provided under this subdivision in the following tax year.
