44 the transfer of title or other interest in property and take such other
45 action as it deems necessary or proper to dispose of such property under
46 the provisions of this subdivision provided, however, that no disposi-
47 tion of real property, or any interest in real property, shall be made
48 unless an appraisal of the value of such property has been made by an
49 independent appraiser and included in the record of the transaction,
50 and, provided further, that no disposition of any other property, which
51 because of its unique nature or the unique circumstances of the proposed
52 transaction is not readily valued by reference to an active market for
53 similar property, shall be made without a similar appraisal.

54 (4) (a) All disposals or contracts for disposal of property of the
55 authority made or authorized by the authority shall be made after

20 (i) the personal property involved has qualities separate from the
21 utilitarian purpose of such property, such as artistic quality, antiques,
22 historical significance, rarity, or other quality of similar effect,
23 that would tend to increase its value, or if the personal property is to
24 be sold in such quantity that, if it were disposed of under clauses (a)
25 and (b) of this subparagraph, would adversely affect the state or local
26 market for such property, and the estimated fair market value of such

28 negotiation;

29 (ii) the fair market value of the property does not exceed fifty thou-

52 (5) (a) No property owned, leased or otherwise in the control of the
53 authority may be sold, leased, or otherwise alienated for less than its
54 fair market value except:

55 (i) if the purchaser, lessee or transferee is a government or other
56 public entity, and the terms and conditions of the disposition require

1 that the ownership and use of the asset will remain with the government
2 or any other public entity; or

3 (ii) if the authority seeks to dispose of property for less than its
4 fair market value to other than a governmental entity the authority
5 shall provide written notification thereof to the mayor, the city comp-

35 ation.

36 (c) Before approving the disposal of any property for less than fair
37 market value, the board shall consider the information described in
