

STATE OF NEW YORK

2025-2026 Regular Sessions

IN SENATE

February 11, 2025

Introduced by Sen. STAVISKY -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education

AN ACT to amend the education law, the criminal procedure law and the retirement and social security law, in relation to the geographic area of employment of state university police officers, centralization of the state university police, and hiring of state university police officers; and to repeal paragraph (d) of subdivision 34-a of section 1.20 of the criminal procedure law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature hereby finds and
2 declares that maintaining a safe environment for individuals studying on
3 the campuses of the state university of New York is of critical impor-
4 tance, and that a well trained and well organized campus police force is
5 vital to ensure that safety. The legislature also finds that the current
6 structure of the campus police force at the state university is ineffi-
7 cient, subject to an excessive and unpredictable management salary
8 structure, and does not ensure an equal level of security and protection
9 at the many campuses across the state. The intent of this act is to
10 create a system of police organization at the state university that
11 borrows the lessons learned by other successful police forces, such as
12 the New York state police, and creates a unified and clear rank and file
13 and command structure that empowers individuals with law enforcement
14 experience to make decisions based on current law enforcement best prac-
15 tices and in the best interest of public safety. The legislature
16 acknowledges the individual character and physical layout of each campus
17 and finds that it is possible for a central police command to manage
18 diverse campus needs.

19 § 2. Paragraph 1 of subdivision 2 of section 355 of the education
20 law, as amended by chapter 424 of the laws of 1998, is amended to read
21 as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
