AN ACT in relation to authorizing Michael Winston Hoard, the widower of Kathy Marie Dwyer-Hoard, to file a new service retirement application and option election form with the New York state and local employees' retirement system on behalf of such deceased member

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Michael Winston Hoard, the widower of Kathy Marie Dwyer-Hoard, who was a
3 member of the New York state and local employees' retirement system, who
4 died after she filed the paperwork for retirement but prior to the date
5 her retirement would have become effective, shall be authorized to file
6 a new service retirement application and an option election form on
7 behalf of his deceased wife with a joint allowance full option, if,
8 within one year from the effective date of this act, he shall submit a
9 request therefor to the state comptroller. In addition, her date of

12 ordinary death benefit payable upon the death of a member in service
13 pursuant to section 448 of the retirement and social security law shall
14 be waived. Any amounts paid by the New York state and local employees'

1 § 2. Any additional costs for this act shall be paid by the state of
2 New York.

3 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would authorize Michael Winston Hoard, the beneficiary of deceased member Kathy Marie Dwyer-Hoard, to file a new service retirement application with a joint allowance full option election on behalf of Kathy Marie Dwyer-Hoard. The date of retirement will be October 21, 2019, four days prior to the decedent's date of death. The option election will be a joint allowance full. Any death benefits paid prior to the filing of a new service retirement application will be deducted from the benefits payable under this legislation.

Insofar as this bill affects NYSLERS, there will be an immediate past service cost of \$547,000 borne by the state of New York as a one-time payment. This cost assumes that payment will be made on March 1, 2027.
