1 (b) The corporation may provide matching grants of up to twelve
2 hundred fifty dollars per student and up to sixty-two thousand five
3 hundred dollars in total matching grants per campus per academic year;
4 provided, however, that campuses funding emergency aid grants at a rate

28 emergency aid grant matching program; provided, however, that:

37 program, such campus has sufficient resources and services available to

39 pected or unforeseen events.

40 4. (a) Each campus of the state university of New York and the city
41 university of New York receiving matching funds pursuant to the emergen-

46 gency aid grant program;

47 (ii) the average dollar amount provided to each student pursuant to
48 such emergency aid grant matching program; and

49 (iii) the percentage of students who received emergency aid funds
50 during the previous academic year and are still enrolled or have

52 university of New York or city university of New York.

53 (b) No later than ninety days after the corporation receives such
54 information from participating campuses as required pursuant to para-

1 mation and any other information as such corporation deems necessary and
2 publish an annual report on the corporation's website.

3 § 2. This act shall take effect immediately and shall apply to the
4 academic year next succeeding the date on which it shall have become a
5 law.
