36 twenty-seven and thereafter.

37 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow retired police officers to be reemployed as a school resource officer, school safety officer, or school security officer with an annual salary of \$50,000 or less and continue to receive their full retirement benefit. Currently, the salary limit for these retirees is \$35,000.

Insofar as this bill affects the New York State and Local Retirement System (NYSLRS), the direct cost incurred would be the retiree's pension benefit paid while post-retirement earnings are between \$35,000 and \$50,000 each calendar year. The pension benefit expected to be paid during that 2.5-month period is estimated to be \$17,000 per person.

There would be additional costs in the form of lost employer contributions due to non-billable post-retirement earnings, which are estimated to be \$2,700 per person.

In the New York State and Local Police and Fire Retirement System, all costs will be shared by the state of New York and all participating employers and spread over future billing cycles.

The number of members and retirees who could be affected by this legislation cannot be readily determined. For each retiree rehired pursuant to this proposal, an annual cost of \$19,700 is expected. If large numbers of retirees are rehired into such positions, significant annual costs would result.

This proposal exclusively benefits retirees. Therefore, the increased costs are attributable to legacy groups, but funding for this proposal will be collected on salary reported for current and future members of Tier 6.

2 sion, section or part of this act shall be adjudged by any court of

12 as specifically set forth in the last section of such Parts.
