AN ACT to amend the public housing law, the tax law and the state finance law, in relation to establishing the shovel-ready housing program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public housing law is amended by adding a new section
2 150-a to read as follows:

3 § 150-a. Shovel-ready housing program. 1. No later than one year after
4 the effective date of this section, and after consultation with municipi-
5 pal governments throughout the state, the division of housing and commu-
6 nity renewal shall establish a "shovel-ready housing program" under
7 which municipalities, excluding cities with a population of over one
8 million, and planning commissions of such municipalities, if any, at
9 their option, may pre-authorize parcels of property for the construction
10 of housing.

11 2. The commissioner shall promulgate rules, regulations, and reporting
12 requirements to establish the program pursuant to subdivision one of
13 this section. Factors considered shall include, but not be limited to,
14 environmental review, permitting, and local zoning. Nothing under such
15 program shall supersede local laws. The division of housing and communi-
16 ty renewal shall annually publish on its website a list of municipi-
17 palities that have opted in to participate in such program.

18 3. In order for the division of housing and community renewal to
19 certify a municipality's participation in the program under subdivision
20 one of this section, such municipality shall pre-authorize parcels

1 by at least one per centum or a minimum of ten units, whichever is
 2 greater.

3 § 2. Section 606 of the tax law is amended by adding a new subsection
 4 (n-3) to read as follows:

5 (n-3) Shovel-ready community tax rebate credit. (1) An individual
 6 taxpayer who meets the eligibility standards in paragraph two of this
 7 subsection shall be allowed a credit against the taxes imposed by this
 8 article in the amount specified in paragraph three of this subsection
 9 for the tax year following the year in the municipality in which such
 10 individual resides being certified as participating in the shovel-ready
 11 housing program established under section one hundred fifty-a of the
 12 public housing law.

13 (2) To be eligible for the credit, the taxpayer (or taxpayers filing
 14 joint returns) (i) shall own and primarily reside in real property
 15 receiving either the STAR exemption authorized by section four hundred
 16 twenty-five of the real property tax law or the school tax relief credit
 17 authorized by subsection (eee) of this section, (ii) shall have had
 18 qualified gross income no greater than two hundred fifty thousand
 19 dollars in the tax year two thousand twenty-one, and (iii) reside in a
 20 municipality that has certified participation in the shovel-ready hous-
 21 ing program established under section one hundred fifty-a of the public
 22 housing law.

23 (3) (i) For a taxpayer who owned and primarily resided in real proper-
 24 ty receiving the basic STAR exemption or who received the basic STAR
 25 credit, the amount of the credit shall equal the STAR tax savings asso-
 26 ciated with such basic STAR exemption in the two thousand twenty-four--
 27 two thousand twenty-five school year, multiplied by the following
 28 percentage:

29 For a taxpayer whose primary residence is located outside the city of
 30 New York:

<u>Qualified Gross</u>	<u>Income Percentage</u>
<u>Not over \$75,000</u>	<u>163%</u>
<u>Over \$75,000 but not over \$150,000</u>	<u>115%</u>
<u>Over \$150,000 but not over \$200,000</u>	<u>66%</u>
<u>Over \$200,000 but not over \$250,000</u>	<u>18%</u>
<u>Over \$250,000</u>	<u>No credit</u>

37 (ii) For a taxpayer who owned and primarily resided in real property
 38 receiving the enhanced STAR exemption or who received the enhanced STAR
 39 credit, the amount of the credit shall equal the STAR tax savings asso-
 40 ciated with such enhanced STAR exemption in the two thousand twenty-
 41 four--two thousand twenty-five school year, multiplied by sixty-six
 42 percent if the taxpayer's primary residence is located outside the city
 43 of New York, or one hundred ten percent if the taxpayer's primary resi-
 44 dence is located within the city of New York.

45 (iii) In no case shall the amount of the credit allowed under this
 46 subsection exceed the school district taxes due with respect to the
 47 residence for that school year, nor shall any credit be allowed under
 48 this subsection if the amount determined pursuant to this paragraph is
 49 less than one hundred dollars.

50 (4) For purposes of this subsection:

51 (i) "Qualified gross income" means the adjusted gross income of the
 52 qualified taxpayer for the taxable year as reported for federal income
 53 tax purposes, or which would be reported as adjusted gross income if a
 54 federal income tax return were required to be filed. In computing quali-

1 fied gross income, the net amount of loss reported on Federal Schedule
2 C, D, E, or F shall not exceed three thousand dollars per schedule. In
3 addition, the net amount of any other separate category of loss shall
4 not exceed three thousand dollars. The aggregate amount of all losses
5 included in computing qualified gross income shall not exceed fifteen
6 thousand dollars.

7 (ii) "STAR tax savings" means the tax savings attributable to the
8 basic or enhanced STAR exemption, whichever is applicable, within a
9 portion of a school district, as determined by the commissioner pursuant
10 to subdivision two of section thirteen hundred six-a of the real proper-
11 ty tax law.

12 (5) If the amount of the credit allowed under this subsection shall
13 exceed the taxpayer's tax for the taxable year, the excess shall be
14 treated as an overpayment of tax to be credited or refunded in accord-
15 ance with the provisions of section six hundred eighty-six of this arti-
16 cle, provided, however, that no interest shall be paid thereon. For each
17 year this credit is allowed, on or before October fifteenth of such
18 year, or as soon thereafter as is practicable, the commissioner shall
19 determine the taxpayer's eligibility for this credit utilizing the
20 information available to the commissioner on the taxpayer's personal
21 income tax return filed for the taxable year two years prior to the
22 taxable year in which the credit is allowed. For those taxpayers whom
23 the commissioner has determined eligible for this credit, the commis-
24 sioner shall advance a payment in the amount specified in paragraph
25 three of this subsection, which payment shall be issued, to the greatest
26 extent practicable, by October thirty-first of each year the credit is
27 allowed. A taxpayer who has failed to receive an advance payment that
28 such taxpayer believes was due to such taxpayer, or who has received an
29 advance payment that such taxpayer believes is less than the amount that
30 was due to such taxpayer, may request payment of the claimed deficiency
31 in a manner prescribed by the commissioner.

32 (6) A taxpayer shall not be eligible for the credit allowed under this
33 subsection if the school district taxes levied upon the residence during
34 the taxable year remain unpaid sixty days after the last date on which
35 they could have been paid without interest, or in the case of a school
36 district where such taxes are payable in installments, if such taxes
37 remain unpaid sixty days after the last date on which the final install-
38 ment could have been paid without interest. If the taxes remain unpaid
39 on such sixtieth day, the amount of credit claimed by the taxpayer under
40 this subsection or the amount of advance payment of credit received by
41 the taxpayer pursuant to paragraph five of this subsection shall be
42 added back as tax on the income tax return for the taxable year in which
43 such sixtieth day occurs.

44 (7) Only one credit per residence shall be allowed per taxable year
45 under this subsection. When two or more members of a residence are able
46 to meet the qualifications for a qualified taxpayer, the credit shall be
47 equally divided between or among such individuals. In the case of spous-
48 es who file a joint federal return but who are required to determine
49 their New York taxes separately, the credit allowed pursuant to this
50 subsection may be applied against the tax of either or divided between
51 them as they may elect.

52 § 3. The state finance law is amended by adding a new section 54-n to
53 read as follows:

54 § 54-n. Grants to shovel-ready housing municipalities. 1. Annual
55 apportionment. During each fiscal year of the state, there shall be
56 apportioned and paid to cities, towns and villages, that have certified

1 participation in the shovel-ready housing program established under
2 section one hundred fifty-a of the public housing law from moneys appro-
3 riated by the state, infrastructure grants for the support of shovel
4 ready housing municipalities. Such funding apportioned and paid to each
5 qualified municipality shall be equal to double the municipalities'
6 allotment of the consolidated local street and highway improvement
7 program (CHIPS) funds in the previous fiscal year enacted budget.

8 2. Use of funds. Grants to shovel-ready housing municipalities shall
9 be used for infrastructure purposes including, but not limited to road,
10 bridge, sewer, power generation and distribution, and broadband
11 projects. All other purposes shall be certified by the office of the
12 state comptroller to ensure funds are used for projects that facilitate
13 the construction of additional housing.

14 § 4. This act shall take effect immediately.
