Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Cities 1

AN ACT in relation to establishing a comprehensive commercial parking plan for the city of New York

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. 1. Notwithstanding any other provision of law, rule, regulation or ordinance to the contrary, the mayor's traffic representatives shall work with members of the New York city council and New York city department of transportation to establish a comprehensive commercial parking plan for the city in which frequently traveled routes and abandoned or decrepit infrastructure along highways and thruways are identified in order to develop an action plan for building commercial parking in the 5 boroughs.
- 2 2. For the purposes of this section, the term "frequently traveled routes" shall mean either the local truck route network or through truck route network as published by the New York city department of transportation on the New York city truck route map. Such frequently traveled routes shall present areas for viable commercial parking options to be identified by city council members in their districts based on trucking routes or ease of access.
- 3 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
