11 application of the provisions of or a conviction of the offense defined  
12 in subdivision twelve of section 265.01 of this article, and [~~further~~  
13 ~~provided—that~~] (c) the pistols or revolvers are transported unloaded in  
14 a locked opaque container together with a copy of the convention or  
15 exhibition program, convention or exhibition schedule or convention or  
16 exhibition registration card. Such documentation shall constitute prima  
17 facie evidence of exemption, [~~providing~~] provided that such person also  
18 has in [~~his~~] their possession a pistol license or firearms registration  
19 card issued in accordance with the laws of [~~his~~] such person's place of  
20 residence. For purposes of this paragraph, a person licensed in a juris-  
21 isdiction which does not authorize such license by a person who has been  
22 previously convicted of a felony shall be presumed to have no prior  
23 conviction. The superintendent of state police shall annually review the  
24 laws of jurisdictions within the United States and Canada with respect  
25 to the applicable requirements for licensing or registration of firearms  
26 and shall publish a list of those jurisdictions which prohibit  
27 possession of a firearm by a person previously convicted of a felony or  
28 crimes which if committed in New York state would constitute a felony.

29 § 7. The penal law is amended by adding two new sections 265.70 and  
30 265.75 to read as follows:

31 § 265.70 Testing.

32 1. Field testing. Every person who possesses a firearm, rifle or shot-  
33 gun which has been brandished, displayed outside a holster, discharged  
34 or otherwise used (other than in the person's home, at an indoor or  
35 outdoor shooting range, or in an area where hunting is permitted with  
36 the weapon), or which is possessed, displayed or discharged in violation  
37 of any provision of this chapter shall, at the request of a police offi-  
38 cer, submit to a breath test to be administered by the police officer,  
39 unless such person demonstrates to such police officer's satisfaction  
40 that such person is not subject to the provisions of subdivision twelve  
41 of section 265.01 of this article. If such test indicates that such  
42 possessor has consumed alcohol, the police officer may request such  
43 possessor to submit to a chemical test in the manner set forth in subdi-  
44 vision two of this section.

45 2. Chemical tests. (a) When authorized. Any person who possesses a  
46 firearm, rifle or shotgun in this state, other than in such person's  
47 home, shall be deemed to have given consent to a chemical test of one or  
48 more of the following: breath, blood, urine, or saliva, for the purpose  
49 of determining the alcoholic and/or drug content of the blood provided  
50 that such test is administered by or at the direction of a police offi-  
51 cer with respect to a chemical test of breath, urine or saliva or, with  
52 respect to a chemical test of blood, at the direction of a police offi-  
53 cer:

54 (1) having reasonable grounds to believe such person possessed a  
55 firearm, rifle or shotgun in violation of subdivision twelve of section

1 265.01 of this article and within two hours after such person has been  
2 placed under arrest for any such violation; or

3 (2) within two hours after a breath test, as provided in subdivision  
4 one of this section, indicates that alcohol has been consumed by such  
5 person and in accordance with the rules and regulations established by  
6 the law enforcement agency of which the officer is a member.

7 For the purposes of this paragraph, "reasonable grounds" to believe  
8 that a person possessed a firearm, rifle or shotgun in violation of  
9 subdivision twelve of section 265.01 of this article shall be determined  
10 by viewing the totality of circumstances surrounding the incident which,  
11 when taken together, indicate that the possession violated such subdivi-  
12 sion. Such circumstances may include any visible or behavioral indi-  
13 cation of alcohol or drug consumption by such person, the existence of  
14 an open container containing or having contained an alcoholic beverage  
15 in or around the vicinity of such person, or any other evidence  
16 surrounding the circumstances of the incident which indicates that the  
17 person was in possession of a firearm, rifle or shotgun after having  
18 consumed alcohol or drugs at the time of the incident.

19 (b) Report of refusal. (1) If: (A) such person having been placed  
20 under arrest; or (B) after a breath test indicates the presence of alco-  
21 hol in the person's system; and the person having thereafter been  
22 requested to submit to such chemical test and having been informed that  
23 any license held by such person to possess a firearm, rifle or shotgun  
24 shall be subject to suspension or revocation for refusal to submit to  
25 such test whether or not the person is found guilty of the charge for  
26 which such person is arrested or detained, then if such person refuses  
27 to submit to such chemical test or any portion thereof, unless a court  
28 order has been granted pursuant to subdivision three of this section,  
29 the test shall not be given and a written report of such refusal shall  
30 be immediately made by the police officer before whom such refusal was  
31 made. Such report may be verified by having the report sworn to, or by  
32 affixing to such report a form notice that false statements made therein  
33 are punishable as a class A misdemeanor pursuant to section 210.45 of  
34 this chapter and such form notice together with the subscription of the  
35 deponent shall constitute a verification of the report.

36 (2) The report of the police officer shall set forth reasonable  
37 grounds to believe such arrested person had possessed a firearm, rifle  
38 or shotgun in violation of subdivision twelve of section 265.01 of this  
39 article, that said person had refused to submit to such chemical test,  
40 and that no chemical test was administered pursuant to the requirements  
41 of subdivision three of this section. The report shall be presented to  
42 the court upon arraignment of an arrested person, and shall be transmit-  
43 ted by such court to the appropriate licensing authority within forty-  
44 eight hours of the arraignment. Such transmittal shall not be waived  
45 even with the consent of all parties.

46 (3) The license may be temporarily suspended by such licensing author-  
47 ity pending the determination of a hearing, in accordance with the rules  
48 and procedures of such authority, for refusal to submit to a test in  
49 either the circumstances described in subdivision one of this section or  
50 the circumstances described in subparagraph one of this paragraph. Any  
51 such refusal may, after such hearing or if uncontested, constitute  
52 grounds for continued suspension or revocation of such license in  
53 accordance with such rules and procedures.

54 (4) Nothing in this section shall be deemed to restrict the discretion  
55 of any licensing authority or the discretion of any judge or justice of  
56 a court of record under subdivision eleven of section 400.00 of this

1 chapter to suspend or revoke a license because of an alleged violation  
2 of subdivision twelve of section 265.01 of this article, or for any  
3 other reason other than refusal to submit to a test as required by this  
4 subdivision or subdivision one of this section.

5 (c) Regulations. A licensing authority or law enforcement agency may  
6 promulgate such rules and regulations as may be necessary to effectuate  
7 the provisions of this subdivision and subdivision one of this section.

8 (d) Evidence. Evidence of a refusal to submit to such chemical test or  
9 any portion thereof shall be admissible in any trial, proceeding or  
10 hearing based upon an alleged violation of the provisions of subdivision  
11 twelve of section 265.01 of this article but only upon a showing that  
12 the person was given sufficient warning, in clear and unequivocal  
13 language, of the effect of such refusal and that the person persisted in  
14 the refusal. Such showing shall be satisfied by submission of a verified  
15 report of refusal as provided in subparagraph one of paragraph (b) of  
16 this subdivision containing a statement that such person was informed  
17 that their license shall be subject to suspension or revocation whether  
18 or not the person is found guilty of the charge for which such person is  
19 arrested or detained if such person refuses to submit to such test.

20 (e) Results. Upon the request of the person who was tested, the  
21 results of such test shall be made available to such person.

22 3. Compulsory chemical tests. (a) Court ordered chemical tests.  
23 Notwithstanding the provisions of subdivision two of this section, no  
24 person subject to the provisions of subdivision twelve of section 265.01  
25 of this article who possesses a firearm, rifle or shotgun (other than in  
26 the person's home, at an indoor or outdoor shooting range, or an area  
27 where hunting is permitted with the weapon) may refuse to submit to a  
28 chemical test of one or more of the following: breath, blood, urine or  
29 saliva, for the purpose of determining the alcoholic and/or drug content  
30 of the blood when a court order for such chemical test has been issued  
31 in accordance with the provisions of this subdivision.

32 (b) When authorized. Upon refusal by any person to submit to a chemi-  
33 cal test or any portion thereof as described in paragraph (a) of this  
34 subdivision, the test shall not be given unless a police officer or a  
35 district attorney, as defined in subdivision thirty-two of section 1.20  
36 of the criminal procedure law, requests and obtains a court order to  
37 compel a person to submit to a chemical test to determine the alcoholic  
38 or drug content of the person's blood upon a finding of reasonable cause  
39 to believe that:

40 (1) such person possessed a firearm, rifle or shotgun with which  
41 another person was killed or suffered physical injury; and

42 (2) (A) either such person possessed the firearm, rifle or shotgun in  
43 violation of subdivision twelve of section 265.01 of this article, or

44 (B) a breath test administered by a police officer in accordance with  
45 subdivision one of this section indicates that alcohol has been consumed  
46 by such person; and

47 (3) such person has been placed under lawful arrest; and

48 (4) such person has refused to submit to a chemical test or any  
49 portion thereof, requested in accordance with the provisions of para-  
50 graph (a) of subdivision two of this section or is unable to give  
51 consent to such a test.

52 (c) Reasonable cause; definition. For the purpose of this subdivision  
53 "reasonable cause" shall be determined by viewing the totality of  
54 circumstances surrounding the incident which, when taken together, indi-  
55 cate that the person possessed a firearm, rifle or shotgun in violation  
56 of subdivision twelve of section 265.01 of this article. Such circum-

1 stances may include, but are not limited to: evidence that such person  
2 was brandishing or using the firearm, rifle or shotgun in violation of  
3 any provision of this chapter or committing any other crime at the time  
4 of the incident; any visible indication of alcohol or drug consumption  
5 or impairment by such person; the existence of an open container  
6 containing an alcoholic beverage in or around the vicinity of such  
7 person; or any other evidence surrounding the circumstances of the inci-  
8 dent which indicates that the person possessed a firearm, rifle or shot-  
9 gun while impaired by the consumption of alcohol or drugs or was intoxi-  
10 cated at the time of the incident.

11 (d) Court order; procedure. (1) An application for a court order to  
12 compel submission to a chemical test or any portion thereof, may be made  
13 to any supreme court justice, county court judge or district court judge  
14 in the judicial district in which the incident occurred, or if the inci-  
15 dent occurred in the city of New York before any supreme court justice  
16 or judge of the criminal court of the city of New York. Such applica-  
17 tion may be communicated by telephone, radio or other means of electron-  
18 ic communication, or in person.

19 (2) The applicant must provide identification by name and title and  
20 must state the purpose of the communication. Upon being advised that an  
21 application for a court order to compel submission to a chemical test is  
22 being made, the court shall place under oath the applicant and any other  
23 person providing information in support of the application as provided  
24 in subparagraph three of this paragraph. After being sworn the applicant  
25 must state that the person from whom the chemical test was requested  
26 possessed a firearm, rifle or shotgun with which another person was  
27 killed or physically injured and, based upon the totality of circum-  
28 stances, there is reasonable cause to believe that such person possessed  
29 a firearm, rifle or shotgun in violation of subdivision twelve of  
30 section 265.01 of this article or a breath test indicated that alcohol  
31 had been consumed by such person and, after being placed under lawful  
32 arrest such person refused to submit to a chemical test or any portion  
33 thereof, in accordance with the provisions of this section or is unable  
34 to give consent to such a test or any portion thereof. The applicant  
35 must make specific allegations of fact to support such statement. Any  
36 other person properly identified, may present sworn allegations of fact  
37 in support of the applicant's statement.

38 (3) Upon being advised that an oral application for a court order to  
39 compel a person to submit to a chemical test is being made, a judge or  
40 justice shall place under oath the applicant and any other person  
41 providing information in support of the application. Such oath or oaths  
42 and all of the remaining communication must be recorded, either by means  
43 of a voice recording device or verbatim stenographic or verbatim long-  
44 hand notes. If a voice recording device is used or a stenographic record  
45 made, the judge must have the record transcribed, certify to the accura-  
46 cy of the transcription and file the original record and transcription  
47 with the court within seventy-two hours of the issuance of the court  
48 order. If longhand notes are taken, the judge shall subscribe a copy and  
49 file it with the court within twenty-four hours of the issuance of the  
50 order.

51 (4) If the court is satisfied that the requirements for the issuance  
52 of a court order pursuant to the provisions of paragraph (b) of this  
53 subdivision have been met, it may grant the application and issue an  
54 order requiring the accused to submit to a chemical test to determine  
55 the alcoholic and/or drug content of such person's blood and ordering  
56 the withdrawal of a blood sample in accordance with the provisions of

1 paragraph (a) of subdivision four of this section. When a judge or  
2 justice determines to issue an order to compel submission to a chemical  
3 test based on an oral application, the applicant therefor shall prepare  
4 the order in accordance with the instructions of the judge or justice.  
5 In all cases the order shall include the name of the issuing judge or  
6 justice, the name of the applicant, and the date and time it was issued.  
7 It must be signed by the judge or justice if issued in person, or by the  
8 applicant if issued orally.

9 (5) Any false statement by an applicant or any other person in support  
10 of an application for a court order shall subject such person to the  
11 offenses for perjury set forth in article two hundred ten of this chap-  
12 ter.

13 (6) The chief administrator of the courts shall establish a schedule  
14 to provide that a sufficient number of judges or justices will be avail-  
15 able in each judicial district to hear oral applications for court  
16 orders as permitted by this section.

17 (e) Administration of compulsory chemical test. An order issued pursu-  
18 ant to the provisions of this subdivision shall require that a chemical  
19 test to determine the alcoholic and/or drug content of the possessor's  
20 blood must be administered. The provisions of paragraphs (a), (b) and  
21 (c) of subdivision four of this section shall be applicable to any chem-  
22 ical test administered pursuant to this section.

23 4. Testing procedures. (a) Persons authorized to withdraw blood; immu-  
24 nity; testimony. (1) At the request of a police officer, the following  
25 persons may withdraw blood for the purpose of determining the alcoholic  
26 and/or drug content therein: (A) a physician, a registered professional  
27 nurse or a registered physician assistant; or (B) under the supervision  
28 and at the direction of a physician: a medical laboratory technician or  
29 medical technologist as classified by civil service; a phlebotomist; an  
30 advanced emergency medical technician as certified by the department of  
31 health; or a medical laboratory technician or medical technologist  
32 employed by a clinical laboratory approved under title five of article  
33 five of the public health law. This limitation shall not apply to the  
34 taking of a urine, saliva or breath specimen.

35 (2) No person entitled to withdraw blood pursuant to subparagraph one  
36 of this paragraph or hospital employing such person, and no other  
37 employer of such person shall be sued or held liable for any act done or  
38 omitted in the course of withdrawing blood at the request of a police  
39 officer pursuant to this section.

40 (3) Any person who may have a cause of action arising from the with-  
41 drawal of blood as aforesaid, for which no personal liability exists  
42 under subparagraph two of this paragraph, may maintain such action  
43 against the state if any person entitled to withdraw blood pursuant to  
44 this paragraph acted at the request of a police officer employed by the  
45 state, or against the appropriate political subdivision of the state if  
46 such person acted at the request of a police officer employed by a poli-  
47 tical subdivision of the state. No action shall be maintained pursuant  
48 to this subparagraph unless notice of claim is duly filed or served in  
49 compliance with law.

50 (4) Notwithstanding the foregoing provisions of this paragraph an  
51 action may be maintained by the state or a political subdivision thereof  
52 against a person entitled to withdraw blood pursuant to subparagraph one  
53 of this paragraph or hospital employing such person for whose act or  
54 omission the state or the political subdivision has been held liable  
55 under this paragraph to recover damages, not exceeding the amount  
56 awarded to the claimant, that may have been sustained by the state or

1 the political subdivision by reason of gross negligence or bad faith on  
2 the part of such person.

3 (5) The testimony of any person other than a physician, entitled to  
4 withdraw blood pursuant to subparagraph one of this paragraph, in  
5 respect to any such withdrawal of blood made by such person may be  
6 received in evidence with the same weight, force and effect as if such  
7 withdrawal of blood were made by a physician.

8 (6) The provisions of subparagraphs two, three and four of this para-  
9 graph shall also apply with regard to any person employed by a hospital  
10 as security personnel for any act done or omitted in the course of with-  
11 drawing blood at the request of a police officer pursuant to a court  
12 order in accordance with subdivision three of this section.

13 (b) Right to additional test. The person tested shall be permitted to  
14 choose a physician to administer a chemical test in addition to the one  
15 administered at the direction of the police officer.

16 (c) Rules and regulations. The rules and regulations issued by the  
17 department of health pursuant to paragraph (c) of subdivision four of  
18 section eleven hundred ninety-four of the vehicle and traffic law shall  
19 also apply to analyses under this section. If the analyses were made by  
20 an individual possessing a permit issued by the department of health,  
21 this shall be presumptive evidence that the examination was properly  
22 given. The provisions of this paragraph do not prohibit the introduction  
23 as evidence of an analysis made by an individual other than a person  
24 possessing a permit issued by the department of health.

25 5. Definitions. For the purposes of this section:

26 (a) "License" means and includes licenses issued pursuant to section  
27 400.00 of this chapter, and any permit issued by a county, city, town or  
28 village pursuant to a local law, code or ordinance which restricts the  
29 possession and purchase of rifles and shotguns.

30 (b) "Licensing authority" means the licensing officer or agency which  
31 issues a license.

32 § 265.75 Chemical test evidence.

33 1. Admissibility. Upon the trial of any action or proceeding arising  
34 out of actions alleged to have been committed by any person arrested for  
35 a violation of subdivision twelve of section 265.01 of this article, the  
36 court shall admit evidence of the amount of alcohol or drugs in the  
37 defendant's blood as shown by a test administered pursuant to the  
38 provisions of section 265.70 of this article.

39 2. Probative value. The following effect shall be given to evidence of  
40 blood-alcohol content, as determined by such tests, of a person arrested  
41 for violation of subdivision twelve of section 265.01 of this article:

42 (a) Evidence that there was .05 of one per centum or less by weight of  
43 alcohol in such person's blood shall be prima facie evidence that the  
44 ability of such person to safely possess a firearm, rifle or shotgun was  
45 not impaired by the consumption of alcohol, and that such person was not  
46 in an intoxicated condition;

47 (b) Evidence that there was more than .05 of one per centum but less  
48 than .07 of one per centum by weight of alcohol in such person's blood  
49 shall be prima facie evidence that such person was not in an intoxicated  
50 condition, but such evidence shall be relevant evidence, but shall not  
51 be given prima facie effect, in determining whether the ability of such  
52 person to safely possess a firearm, rifle or shotgun was impaired by the  
53 consumption of alcohol; and

54 (c) Evidence that there was .07 of one per centum or more but less  
55 than .08 of one per centum by weight of alcohol in such person's blood  
56 shall be prima facie evidence that such person was not in an intoxicated

1 condition, but such evidence shall be given prima facie effect in deter-  
2 mining whether the ability of such person to safely possess a firearm,  
3 rifle or shotgun was impaired by the consumption of alcohol.

4 3. Suppression. A defendant who has been compelled to submit to a  
5 chemical test pursuant to the provisions of subdivision three of section  
6 265.70 of this article may move for the suppression of such evidence in  
7 accordance with article seven hundred ten of the criminal procedure law  
8 on the grounds that the order was obtained and the test administered in  
9 violation of the provisions of such subdivision or any other applicable  
10 law.

11 § 8. Paragraph (a) of subdivision 11 of section 400.00 of the penal  
12 law, as amended by chapter 371 of the laws of 2022, is amended to read  
13 as follows:

14 (a) The conviction of a licensee anywhere of a felony or serious  
15 offense or a licensee at any time becoming ineligible to obtain a  
16 license, including engaging in conduct that would have resulted in the  
17 denial of a license, under this section shall operate as or be grounds  
18 for, a revocation of the license. A license may be revoked or suspended  
19 as provided for in subdivision two of section 265.70 of this chapter,  
20 section 530.14 of the criminal procedure law or section eight hundred  
21 forty-two-a of the family court act. Except for a license issued pursu-  
22 ant to section 400.01 of this article, a license may be revoked and  
23 cancelled at any time in the city of New York, and in the counties of  
24 Nassau and Suffolk, by the licensing officer, and elsewhere than in the  
25 city of New York by any judge or justice of a court of record; a license  
26 issued pursuant to section 400.01 of this article may be revoked and  
27 cancelled at any time by the licensing officer or any judge or justice  
28 of a court of record. A license to engage in the business of dealer may  
29 be revoked or suspended for any violation of the provisions of article  
30 thirty-nine-BB of the general business law. The official revoking a  
31 license shall give written notice thereof without unnecessary delay to  
32 the executive department, division of state police, Albany, and shall  
33 also notify immediately the duly constituted police authorities of the  
34 locality. The licensing officer shall revoke any license issued in which  
35 an applicant knowingly made a material false statement on the applica-  
36 tion. Notice of a revocation under this subdivision shall be issued in  
37 writing and shall include the basis for the determination, which shall  
38 be supported by a preponderance of the evidence. Such notice shall also  
39 include information regarding the ability to appeal such decision in  
40 accordance with subdivision four-a of this section.

41 § 9. This act shall take effect on the one hundred eightieth day after  
42 it shall have become a law. Provided, however, that any actions,  
43 including but not limited to the promulgation of rules and regulations,  
44 necessary to implement the provisions of this act on its effective date  
45 are authorized and directed to be made and completed on or before such  
46 effective date.
