28 employ a minority or women owned business enterprise (MWBE) program, may  
29 award any contract valued at no more than one million dollars to a  
30 participant of such program even if such participant is not the lowest  
31 bidder for such contract, provided, however that such award may only be  
32 made to the lowest MWBE bid that is reasonably competitive. For the  
33 purpose of this subdivision, an "MWBE program" shall be defined as a  
34 program designed to increase participation of MWBEs in public contract-  
35 ing that is based on a study in which it was found that there is or has  
36 been a disparity between the availability and the utilization of MWBEs  
37 in the award of contracts by such political subdivision or district  
38 therein. For the purpose of this subdivision, "reasonably competitive"  
39 shall mean that the MWBE bid does not exceed the lowest bid by more than  
40 ten percent.
