

STATE OF NEW YORK

6484--A

2025-2026 Regular Sessions

IN SENATE

March 14, 2025

Introduced by Sen. C. RYAN -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the economic development law and the public service law, in relation to small business energy assistance and advocacy services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds and
2 declares that rising energy costs present a significant barrier to the
3 economic viability of New York's small businesses, a crucial sector of
4 the state's economy. Small businesses can least afford the time and cost
5 associated with seeking opportunities to conserve energy, utilize energy
6 efficient products and processes and gain access to renewable sources of
7 energy. The viability of small businesses and the overall economic and
8 environmental status of New York state will be enhanced by the develop-
9 ment, expansion and promotion of accessible and affordable programs to
10 assist small businesses in energy conservation, energy efficiency, and
11 increased use of renewable resources, and by ensuring equitable treat-
12 ment of small businesses in the proceedings of energy-related regulatory
13 agencies.

14 The legislature hereby establishes a small business energy assistance
15 and advocacy services program as part of the division for small-business
16 within the empire state development corporation to assist small busi-
17 nesses in accessing energy conservation, energy efficiency and renewable
18 energy programs available through public and private sources, and to
19 advocate for the initiation and expansion of such programs and for equi-
20 table treatment of small businesses in regulatory proceedings related to
21 energy.

22 § 2. The economic development law is amended by adding a new section
23 138-a to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD11014-02-5

§ 138-a. Small business energy assistance and advocacy services program. 1. There is hereby established within the division of small business a small business energy assistance and advocacy services program.

2. The small business energy assistance and advocacy services program, in consultation with other divisions of the department and with other agencies of the state, federal agencies or local governments, shall:

a. solicit input from small businesses and from organizations representing small businesses, such as trade associations or other entities, regarding the energy assistance and energy efficiency needs of small businesses;

b. provide recommendations to the New York state energy research and development authority, the power authority of the state of New York and other public utility authorities established pursuant to article five of the public authorities law, the public service commission, investor-owned utilities and other entities regarding the development and implementation of energy assistance programs and on the impact of state energy policy on small businesses;

c. provide to small businesses information and materials on energy assistance programs, cooperative fuel purchasing efforts and other programs to maintain the affordability of energy, and provide access to such information and materials on the department's website;

d. accept and investigate complaints of any kind from all small business customers including those from the Long Island power authority, attempt to mediate such complaints where appropriate directly with such authority and refer complaints to the appropriate state or local agency authorized by law to take action with respect to such complaints; and

e. hold quarterly forums in each of the service territories of the combination gas and electric corporations, as defined under section two of the public service law, and the Long Island power authority to educate small business owners about utility-related matters and the regulatory process, opportunities to lower energy costs, including through energy efficiency and distributed generation, and other matters affecting small business owners.

3. The small business energy assistance and advocacy services program shall initiate, intervene in, or participate in any proceedings before the public service commission or the department of public service, to the extent authorized by section three-b, twenty-four-a, seventy-one, eighty-four or ninety-six of the public service law or any other applicable provision of law, where the division deems such initiation, intervention or participation to be necessary or appropriate, and may advocate before any other state and federal regulatory agencies for the adoption of appropriate regulations providing for equitable treatment of small businesses in energy-related policies, including but not limited to extending reasonable consumer protections to small businesses in energy-related matters.

4. Beginning in the calendar year following the effective date of this section, and continuing annually on or before March fifteenth, the division shall report to the governor and the legislature on any actions it has taken pursuant to this section, and any recommendations for legislative, state regulatory, and/or budgetary measures the division has for improving energy affordability and energy efficiency for small businesses.

§ 3. The section heading and subdivision 1 of section 24-a of the public service law, as amended by section 47 of part A of chapter 62 of the laws of 2011, are amended to read as follows:

1 Notice to be given to department of state and the division of small
2 business prior to rate increase.

3 1. Notwithstanding any inconsistent general, special or local law or
4 rule or regulation to the contrary, the commission shall to the extent
5 the department shall so request in any cases or class of cases, give
6 notice to the department and the division of small business of any filed
7 statement proposing to modify or increase rates, services, schedule of
8 rates or any other rating rule or to adopt or amend any rate or service
9 rules or regulations within five days after the commission shall have
10 received such statement from any utility subject to its jurisdiction;
11 provided, however, that in lieu of giving such notice, the commission
12 may direct that the utility give such notice to the department and the
13 division of small business.

14 § 4. Section 71 of the public service law, as amended by chapter 521
15 of the laws of 2013, is amended to read as follows:

16 § 71. Complaints as to quality and price of gas and electricity;
17 investigation by commission; forms of complaints. Upon the complaint in
18 writing of the mayor of a city, the trustees of a village, the town
19 board of a town or the chief executive officer or the legislative body
20 of a county in which a person or corporation is authorized to manufac-
21 ture, convey, transport, sell or supply gas or electricity for heat,
22 light or power, or upon the complaint in writing of not less than twen-
23 ty-five customers or purchasers of such gas or electricity, or upon the
24 complaint in writing of the department of state or the division of small
25 business, or upon a complaint of a gas corporation or electrical corpo-
26 ration supplying or transmitting said gas or electricity, as to the
27 illuminating or heating power, purity or pressure or the rates, charges
28 or classifications of service of gas, the efficiency of the electric
29 incandescent lamp supply, the voltage of the current supplied for light,
30 heat or power, or the rates charged or classification of service of
31 electricity sold and delivered in such municipality, or as to the extent
32 or duration of a disruption in gas or electricity service, the commis-
33 sion shall investigate as to the cause for such complaint. When such
34 complaint is made, the commission may, by its agents, examiners and
35 inspectors, inspect the works, system, plant, devices, appliances and
36 methods used by such person or corporation in manufacturing, transmit-
37 ting and supplying such gas or electricity, and may examine or cause to
38 be examined the books and papers of such person, or corporation pertain-
39 ing to the manufacture, sale, transmitting and supplying of such gas or
40 electricity. The form and contents of complaints made as provided in
41 this section shall be prescribed by the commission. Such complaints
42 shall be signed by the officers, or by the customers, purchasers or
43 subscribers making them, who must add to their signatures their places
44 of residence, by street and number, if any. The commission shall publish
45 the form and instructions for completing the form on the commission's
46 website.

47 § 5. Section 84 of the public service law, as amended by section 49 of
48 part A of chapter 62 of the laws of 2011, is amended to read as follows:

49 § 84. Complaints as to service and price of steam heat; investigation
50 by commission; forms of complaints. Upon the complaint in writing of the
51 mayor of the city, the trustees of a village or the town board of a town
52 in which a person or corporation is authorized to manufacture, sell or
53 supply steam for heat or power, or upon the complaint in writing of not
54 less than fifty customers or purchasers of such steam heat in cities of
55 the first or second class, or of not less than twenty-five in cities of
56 the third class, or of not less than ten elsewhere, or upon the

1 complaint in writing of the department of state or the division of small
2 business, as to the price, pressure or efficiency of steam supplied for
3 heat or power, sold and delivered in such municipality, the commission
4 shall investigate as to the cause for such complaint. When such
5 complaint is made, the commission may, by its agents, examiners and
6 inspectors, inspect the work, system, plant, devices, appliances and
7 methods used by such person or corporation in manufacturing, transmit-
8 ting and supplying such steam, and may examine or cause to be examined
9 the books and papers of such person or corporation pertaining to the
10 manufacture, sale, transmitting and supplying of such steam. The form
11 and contents of complaints made as provided in this section shall be
12 prescribed by the commission. Such complaint shall be signed by the
13 officers, or by the customers, purchasers or subscribers making them,
14 who must add to their signatures their place of residence, by street and
15 number, if any.

16 § 6. Subdivision 3 of section 96 of the public service law, as amended
17 by section 51 of part A of chapter 62 of the laws of 2011, is amended to
18 read as follows:

19 3. Complaints may be made to the commission by the department of
20 state, the division of small business, or by any person or corporation
21 aggrieved, by petition or complaint in writing, setting forth any act
22 done or omitted to be done by any telegraph corporation or telephone
23 corporation alleged to be in violation of the terms or conditions of its
24 franchise or charter or of any order of the commission. Upon the presen-
25 tation of such a complaint the commission shall cause a copy thereof to
26 be forwarded to the person or corporation complained of which may be
27 accompanied by an order directed to such person or corporation requiring
28 that the matters complained of be satisfied or that the charges be
29 answered in writing within a time to be specified by the commission. If
30 the person or corporation complained of shall make reparation for any
31 injury alleged and shall cease to commit or permit the violation of law,
32 franchise, charter or order charged in the complaint, if any there be,
33 and shall notify the commission of that fact before the time allowed for
34 answer, the commission need take no further action upon the charges. If,
35 however, the charges contained in such petition be not thus satisfied
36 and it shall appear to the commission that there are reasonable grounds
37 therefor, it shall investigate such charges in such manner and by such
38 means as it shall deem proper and take such action within its powers as
39 the facts in its judgment justify.

40 § 7. This act shall take effect on the one hundred eightieth day after
41 it shall have become a law. Effective immediately, the addition, amend-
42 ment and/or repeal of any rule or regulation necessary for the implemen-
43 tation of this act on its effective date are authorized to be made and
44 completed on or before such effective date.
