Introduced by Sens. HINCHEY, COMRIE, JACKSON -- read twice and ordered printed, and when printed to be committed to the Committee on Consumer Protection

AN ACT to amend the general business law, in relation to requiring electric vehicle charging stations to be installed at certain gasoline stations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new
2 section 396-xx to read as follows:

3 § 396-xx. Gasoline station; dealer; electric vehicle charging station
4 required. 1. Definitions. As used in this section:

5 (a) "gasoline station" shall mean a premises or facility greater than
6 fifteen hundred square feet with operational gas dispensing motor fuel
7 pumps that dispense motor fuel available for general public retail sale.

8 (b) "dealer" shall mean any person owning or operating a premises or
9 facility with one or more operational gas dispensing motor fuel pumps
10 that dispense motor fuel available for general public retail sale.

11 (c) "electric vehicle charging station" shall mean a level two dual
12 charging station that delivers electricity from a source outside an
13 electric vehicle and can charge two electric vehicles simultaneously on
14 one circuit. An electric vehicle charging station may include several
15 charge points simultaneously connecting several electric vehicles to the
16 station and any related equipment needed to facilitate charging plug-in
17 electric vehicles. Each electric vehicle charging station shall have
18 the ability to deliver a charge load of no less than 6kW per station and
19 each electric vehicle charging station shall have non-proprietary char-
20 gers capable of charging electric vehicles from at least three different
21 incorporated auto manufacturers.

22 2. Any dealer installing new operational gas dispensing motor fuel
23 pumps for the retail sale of motor fuels for use in motor vehicles shall
