LBD08189-04-6

for Tier 5 and 6 members in the New York State and Local Police and Fire Retirement System (NYSLPFRS). The current limit is 15 percent.

Insofar as this bill affects NYSLPFRS, the present value of benefits would increase by approximately \$331 million.

NYSLPFRS	Increase in present value of benefits	Increase in required contributions
Actives Tiers 1-5 (Closed)	\$ 35.6 mn	\$ 50.3 mn
Actives Tier 6 (Open)	\$ 295.1 mn	\$ 280.3 mn
Total	\$ 330.7 mn	\$ 330.7 mn

Benefit improvements will be funded by increasing the billing rates charged annually. The annual contribution required of all participating employers in NYSLPFRS would increase 0.7% of billable salary, or approximately \$6 million to the state of New York and \$27 million to the local participating employers. This permanent annual cost will vary in future billing cycles with changes in the billing rate and salary of the affected members.

The number of current and future members who could be affected by this legislation cannot be readily determined.
