FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow security hospital treatment assistants (SHTA) employed by the state of New York Office of Mental Health, to change retirement plans in New York State and Local Employees' Retirement System. Members could choose to switch between an Age-55 plan and a 25-year service plan. The choice is irrevocable. Currently, this choice is only allowed during the first year of employment in the SHTA title.

We estimate that the state of New York's annual contributions will increase \$1.7 million beginning FYE 2027. Annual costs will vary but are expected to average 1.7% of salary.

In addition, there will be an immediate past service cost of \$22.7 million borne by the state of New York as a one-time payment. This cost assumes that payment will be made on March 1, 2027.

These estimated costs are based on 717 affected members employed by Office of Mental Health with annual salary of approximately \$76 million as of March 31, 2025.
