

STATE OF NEW YORK

7807

2025-2026 Regular Sessions

IN SENATE

May 9, 2025

Introduced by Sen. GOUNARDES -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law and the education law, in relation to expanding the definition of epinephrine devices to include epinephrine nasal sprays

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3000-c of the public health law, as amended by
2 chapter 373 of the laws of 2016, paragraph (a) of subdivision 1 as
3 amended by chapter 472 of the laws of 2024, and paragraph (f) of subdivi-
4 sion 2 as amended by chapter 373 of the laws of 2016, is amended to
5 read as follows:
6 § 3000-c. Epinephrine [~~auto-injector~~] devices. 1. Definitions. As used
7 in this section:
8 (a) "Eligible person or entity" means: (i) an ambulance service or
9 advanced life support first response service; a certified first respon-
10 der, firefighter in a county, city, town or village having a population
11 of less than two million provided such county is not wholly located
12 within a city with a population of more than one million, emergency
13 medical technician, or advanced emergency medical technician, who is
14 employed by or an enrolled member of any such service; (ii) a children's
15 overnight camp as defined in subdivision one of section thirteen hundred
16 ninety-two of this chapter, a summer day camp as defined in subdivision
17 two of section thirteen hundred ninety-two of this chapter, a traveling
18 summer day camp as defined in subdivision three of section thirteen
19 hundred ninety-two of this chapter or a person employed by such a camp;
20 (iii) a school district, board of cooperative educational services,
21 county vocational education and extension board, charter school, and
22 non-public elementary and secondary school in this state or any person
23 employed by any such entity, or employed by a contractor of such an
24 entity while performing services for the entity; (iv) a sports, enter-

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD09090-03-5

1 tainment, amusement, education, government, day care or retail facility;
2 an educational institution, youth organization or sports league; an
3 establishment that serves food; or a person employed by such entity; (v)
4 a police officer or peace officer in a county, city, town or village
5 having a population of less than two million provided such county is not
6 wholly located within a city with a population of more than one million;
7 (vi) forest rangers, park rangers and environmental conservation police
8 officers; and (vii) any other person or entity designated or approved,
9 or in a category designated or approved pursuant to regulations of the
10 commissioner in consultation with other appropriate agencies.

11 (b) "Epinephrine [~~auto-injector~~] device" means [~~a single-use~~] an
12 epinephrine delivery device or product approved by the federal food and
13 drug administration and used for the automatic injection or adminis-
14 tration of a premeasured dose of epinephrine into the human body for the
15 purpose of emergency treatment of a person appearing to experience
16 anaphylactic symptoms approved by the food and drug administration.

17 (c) "Health care practitioner" means a health care practitioner
18 licensed, certified, or authorized to practice under title eight of the
19 education law who is authorized thereby to administer drugs, and who is
20 acting within the scope of [~~his or her~~] such health care practitioner's
21 practice.

22 2. Possession and use. (a) Any eligible person or entity may purchase,
23 acquire, possess and use epinephrine [~~auto-injector~~] devices for emer-
24 gency treatment of a person appearing to experience anaphylactic symp-
25 toms, under this section.

26 (b) An eligible person or entity shall designate one or more individ-
27 uals who have completed the training required by paragraph (c) of this
28 subdivision to be responsible for the storage, maintenance, control, and
29 general oversight of the epinephrine [~~auto-injectors~~] devices acquired
30 by the eligible person or entity.

31 (c) No one may use an epinephrine [~~auto-injector~~] device on behalf of
32 an eligible person or entity unless [~~he or she has~~] they have success-
33 fully completed a training course in the use of epinephrine [~~auto-injec-~~
34 ~~tor~~] devices conducted by a nationally recognized organization experi-
35 enced in training laypersons in emergency health treatment or by an
36 entity or individual approved by the commissioner, or is directed in a
37 specific instance to use an epinephrine [~~auto-injector~~] device by a
38 health care practitioner. The training required by this paragraph shall
39 include (i) how to recognize signs and symptoms of severe allergic
40 reactions, including anaphylaxis; (ii) recommended dosage for adults and
41 children; (iii) standards and procedures for the storage and adminis-
42 tration of an epinephrine [~~auto-injector~~] device; and (iv) emergency
43 follow-up procedures.

44 (d) This section does not prohibit the use of an epinephrine [~~auto-in-~~
45 ~~jector~~] device (i) by a health care practitioner or (ii) by a person
46 acting pursuant to a lawful patient-specific prescription.

47 (e) Every eligible person and entity authorized to possess and use
48 epinephrine [~~auto-injector~~] devices pursuant to this section shall use,
49 maintain and dispose of such devices pursuant to regulations of the
50 department.

51 (f) Nothing in this section shall require any eligible person or enti-
52 ty to acquire, possess, store, make available, or administer an epineph-
53 rine [~~auto-injector~~] device.

54 3. Prescriptions. (a) A health care practitioner who is authorized to
55 prescribe drugs may prescribe, dispense or provide an epinephrine [~~auto-~~

1 ~~injector~~] device to or for an eligible person or entity by a non-pa-
2 tient-specific prescription.

3 (b) A pharmacist may dispense an epinephrine [~~auto-injector~~] device
4 pursuant to a non-patient-specific prescription under this subdivision.

5 (c) This subdivision does not limit any other authority a health care
6 practitioner or pharmacist has to prescribe, dispense, provide or admin-
7 ister an epinephrine [~~auto-injector~~] device.

8 4. Application of other laws. (a) Use of an epinephrine [~~auto-injee-~~
9 ~~tor~~] device pursuant to this section shall be considered first aid or
10 emergency treatment for the purpose of any statute relating to liabil-
11 ity.

12 (b) Purchase, acquisition, possession or use of an epinephrine [~~auto-~~
13 ~~injector~~] device pursuant to this section shall not constitute the
14 unlawful practice of a profession or other violation under title eight
15 of the education law or article thirty-three of this chapter.

16 (c) Any person otherwise authorized to sell or provide an epinephrine
17 [~~auto-injector~~] device may sell or provide it to a person or entity
18 authorized to possess it pursuant to this section.

19 § 2. Paragraph (f) of subdivision 2 of section 3000-c of the public
20 health law, as amended by chapter 22 of the laws of 2025, is amended to
21 read as follows:

22 (f) Nothing in this section shall require any eligible person or enti-
23 ty to acquire, possess, store, make available, or administer an epineph-
24 rine [~~auto-injector~~] device, except as provided for in subdivision
25 five-e of section two hundred twenty-five of this chapter.

26 § 3. Subdivision 2 of section 3000-a of the public health law, as
27 amended by chapter 373 of the laws of 2016, is amended to read as
28 follows:

29 2. (i) Any person or entity that purchases, operates, facilitates
30 implementation or makes available resuscitation equipment that facili-
31 tates first aid, an automated external defibrillator or an epinephrine
32 [~~auto-injector~~] device as required by or pursuant to law or local law,
33 or that conducts training under section three thousand-c of this arti-
34 cle, or (ii) an emergency health care provider under a collaborative
35 agreement pursuant to section three thousand-b of this article with
36 respect to an automated external defibrillator, or (iii) a health care
37 practitioner that prescribes, dispenses or provides an epinephrine
38 [~~auto-injector~~] device under section three thousand-c of this article,
39 shall not be liable for damages arising either from the use of that
40 equipment by a person who voluntarily and without expectation of mone-
41 tary compensation renders first aid or emergency treatment at the scene
42 of an accident or medical emergency, or from the use of defectively
43 manufactured equipment; provided that this subdivision shall not limit
44 the person's or entity's, the emergency health care provider's, or other
45 health care practitioner's liability for [~~his, her or its~~] their own
46 negligence, gross negligence or intentional misconduct.

47 § 4. Subdivision 5-e of section 225 of the public health law, as added
48 by chapter 461 of the laws of 2024 and as renumbered by chapter 22 of
49 the laws of 2025, is amended to read as follows:

50 5-e. Places of public assembly on-site epinephrine [~~auto-injector~~]
51 devices.

52 (a) Notwithstanding the provisions of paragraph (r) of subdivision
53 five of this section and section three thousand-c of this chapter, the
54 sanitary code shall provide that each place of public assembly as speci-
55 fied in this section shall be required to maintain and make available
56 on-site epinephrine [~~auto-injector~~] devices, as defined in paragraph (b)

1 of subdivision one of section three thousand-c of this chapter, in quantities and types deemed by the commissioner to be adequate to ensure ready and appropriate access for use during emergencies.

2
3
4 (b) Whenever places of public assembly are used for public or private sponsored events or activities the owners, operators and administrators responsible for such place of public assembly shall ensure the presence of at least one staff person or volunteer who is trained, pursuant to paragraph (c) of subdivision two of section three thousand-c of this chapter, in the operation and use of an epinephrine [~~auto-injector~~]
5
6
7
8
9
10 device.

11 (c) For the purposes of this subdivision, "places of public assembly" shall mean those with an occupancy capacity of at least one thousand people and shall include: (i) all stadiums, ballparks, gymnasiums, field houses, arenas, civic centers and similar facilities used for the conduct of sporting events; and (ii) concert halls, recital halls, theatres, indoor and outdoor amphitheatres or other auditoriums used for the presentation of musical renditions or concerts. Places of public assembly shall not include halls owned by churches, religious organizations, granges, public associations, or free libraries as defined by section two hundred fifty-three of the education law.
12
13
14

20

21 (d) Places of public assembly and staff pursuant to paragraphs (a) and (b) of this subdivision shall be subject to the requirements and limitations of section three thousand-c of this chapter.
22
23

24 (e) Pursuant to sections three thousand-a and three thousand-c of this chapter, any public access epinephrine [~~auto-injector~~] device provider, or any employee or other agent of the provider who, in accordance with the provisions of this section, voluntarily and without expectation of monetary compensation renders emergency medical or first aid treatment using an epinephrine [~~auto-injector~~] device which has been made available pursuant to this section, to a person who is unconscious, ill or injured, shall be liable only pursuant to section three thousand-a of this chapter.
25
26

41

42 (g) (i) Operation of an epinephrine [~~auto-injector~~] device pursuant to this section shall be considered first aid or emergency treatment for the purpose of any statute relating to liability.
43
44

45 (ii) Operation of an epinephrine [~~auto-injector~~] device pursuant to this section shall not constitute the unlawful practice of a profession under title eight of the education law.
46
47

48 § 5. Subdivision 1 of section 902-b of the education law, as added by chapter 423 of the laws of 2014, is amended to read as follows:
49

50 1. (a) Licensed nurses, nurse practitioners, physician assistants, or physicians employed by schools are authorized to administer prescribed epinephrine pursuant to the scope of practice of the licensed individual under title VIII of this chapter, to pupils diagnosed by a physician or other duly authorized health care provider with an allergy who have the written permission of a physician or other duly authorized health care provider for the administration of emergency epinephrine and written

56

1 parental consent to carry and use an epinephrine [~~auto-injector~~] device
2 pursuant to section nine hundred sixteen-a of this article, during the
3 school day on school property and at any school function as such terms
4 are defined, respectively, by subdivisions one and two of section eleven
5 of this chapter.

6 (b) For the purposes of this subdivision, the term "epinephrine
7 device" shall have the same meaning as set forth in paragraph (b) of
8 subdivision one of section three thousand-c of the public health law.

9 § 6. Subdivision 1 of section 916-a of the education law, as added by
10 chapter 423 of the laws of 2014, is amended to read as follows:

11 1. (a) The board of education or trustees of each school district and
12 board of cooperative educational services shall allow pupils who have
13 been diagnosed by a physician or other duly authorized health care
14 provider with an allergy to carry and use a prescribed epinephrine [~~auto~~
15 ~~injector~~] device for the emergency treatment of allergic reactions
16 during the school day on school property and at any school function as
17 such terms are defined, respectively, by subdivisions one and two of
18 section eleven of this chapter, with the written permission of a physi-
19 cian or other duly authorized health provider, and written parental
20 consent. The written permission shall include an attestation by the
21 physician or the health care provider confirming the following: [~~(a)~~](i)
22 the pupil's diagnosis of an allergy for which an epinephrine [~~auto~~
23 ~~injector~~] device is needed; and [~~(b)~~] (ii) that the pupil has demon-
24 strated that [~~he or she~~] such pupil can self-administer the prescribed
25 epinephrine [~~auto-injector~~] device effectively. The written permission
26 shall also include the circumstances which may warrant the use of the
27 epinephrine [~~auto-injector~~] device. A record of such consent and
28 permission shall be maintained in the student's cumulative health
29 record. In addition, upon the written request of a parent or person in
30 parental relation, the board of education or trustees of a school
31 district and board of cooperative educational services shall allow such
32 pupils to maintain an extra epinephrine [~~auto-injector~~] device for the
33 emergency treatment of allergies in the care and custody of a licensed
34 nurse, nurse practitioner, physician assistant, or physician employed by
35 such district or board of cooperative educational services, and shall be
36 readily accessible to such pupil. Nothing in this section shall require
37 a school district or board of cooperative educational services to retain
38 a licensed nurse, nurse practitioner, physician assistant, or physician
39 solely for the purpose of taking custody of a spare epinephrine [~~auto~~
40 ~~injector~~] device for the emergency treatment of allergic reactions, or
41 require that a licensed nurse, nurse practitioner, physician assistant,
42 or physician be available at all times in a school building for taking
43 custody of the epinephrine [~~auto-injector~~] device. In addition, the
44 epinephrine [~~auto-injector~~] device provided by the pupil's parents or
45 persons in parental relation will be made available to the pupil as
46 needed in accordance with the school district's or board of cooperative
47 educational services' policy and the orders prescribed in the written
48 permission of the physician or other authorized health care provider.

49 (b) For the purposes of this subdivision, the term "epinephrine
50 device" shall have the same meaning as set forth in paragraph (b) of
51 subdivision one of section three thousand-c of the public health law.

52 § 7. Subdivision 1 of section 921 of the education law, as amended by
53 chapter 339 of the laws of 2021, is amended to read as follows:

54 1. (a) The board of education or trustees of each school district and
55 board of cooperative educational services and nonpublic schools are
56 authorized, but not obligated to have licensed registered professional

1 nurses, nurse practitioners, physician assistants, and physicians train
2 unlicensed school personnel to administer prescribed glucagon or
3 epinephrine [~~auto-injectors~~] devices in emergency situations, where an
4 appropriately licensed health professional is not available, to pupils
5 who have the written permission of a physician or other duly authorized
6 health care provider for the administration of glucagon or an emergency
7 epinephrine [~~auto-injector~~] device, along with written parental consent,
8 during the school day on school property and at any school function as
9 such terms are defined, respectively, by subdivisions one and two of
10 section eleven of this chapter. Training must be provided by a physician
11 or other duly authorized licensed health care professional in a compe-
12 tent manner and must be completed in a form and manner prescribed by the
13 commissioner in regulation.

14 (b) For the purposes of this subdivision, the term "epinephrine
15 device" shall have the same meaning as set forth in paragraph (b) of
16 subdivision one of section three thousand-c of the public health law.

17 § 8. Section 921-a of the education law, as amended by chapter 200 of
18 the laws of 2017, subdivision 3 as added by chapter 422 of the laws of
19 2023, is amended to read as follows:

20 § 921-a. On-site epinephrine [~~auto-injector~~] device. 1. School
21 districts, boards of cooperative educational services, county vocational
22 education and extension boards, charter schools, and non-public elemen-
23 tary and secondary schools in this state may provide and maintain
24 on-site in each instructional school facility epinephrine [~~auto-injec-~~
25 ~~tors~~] devices in quantities and types deemed by the commissioner, in
26 consultation with the commissioner of health, to be adequate to ensure
27 ready and appropriate access for use during emergencies to any student
28 or staff having anaphylactic symptoms whether or not there is a previous
29 history of severe allergic reaction.

30 2. School districts, boards of cooperative educational services, coun-
31 ty vocational education and extension boards, charter schools, and non-
32 public elementary and secondary schools in this state, any person
33 employed by any such entity, or employed by a contractor of such an
34 entity while performing services for the entity may administer epineph-
35 rine [~~auto-injectors~~] devices in the event of an emergency pursuant to
36 the requirements of section three thousand-c of the public health law.

37 3. School districts, boards of cooperative educational services, coun-
38 ty vocational education and extension boards, charter schools, and non-
39 public elementary and secondary schools in this state that are author-
40 ized to provide and maintain epinephrine [~~auto-injectors~~] devices
41 on-site pursuant to this section shall provide all teachers with written
42 informational material on the use of an epinephrine [~~auto-injector~~]
43 device that has been created and approved by the commissioner of health.

44 4. For the purposes of this section, the term "epinephrine device"
45 shall have the same meaning as set forth in paragraph (b) of subdivision
46 one of section three thousand-c of the public health law.

47 § 9. This act shall take effect immediately; provided, however, that
48 sections two and four of this act shall take effect on the same date and
49 in the same manner as chapter 461 of the laws of 2024, as amended, takes
50 effect.
