LBD02755-05-5

This bill would provide Stacie Stueber, the surviving spouse of Richard Stueber, formerly a deputy sheriff employed by Suffolk County, with an accidental disability retirement benefit equal to 75% of the decedent's final average salary, retroactive to the date of retirement. Currently, Stacie Stueber is eligible to receive the continuance of a Pop-Up Joint Allowance 75%, resulting from the decedent's service retirement.

If this bill is enacted during the 2025 Legislative Session, there will be an immediate past service cost of approximately $1.04 million which will be borne by Suffolk County as a one-time payment. This estimate assumes that payment will be made on March 1, 2026.
