Introduced by Sen. RIVERA -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to prohibiting hospitals, health systems, and health care providers from charging facility fees that are not covered by insurance

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "lower
2 hospital bills act".

3 § 2. Section 2830 of the public health law, as added by chapter 764 of
4 the laws of 2022, is amended to read as follows:

5 § 2830. Regulation of the billing of facility fees. 1. For the
6 purposes of this section, "fee" means any amount charged or billed by a
7 provider for professional health care services provided in a hospital-
8 based facility.

9 2. No hospital or health system or health care provider shall bill or
10 seek payment from a patient for a facility fee that is not covered by
11 the patient's health insurance carrier [~~unless the patient was notified
12 prior to the date of service that a facility fee would be applicable. If
13 a health care provider enters into a business relationship with a hospi-
14 tal or health system that will result in the provider's patients being
15 subject to facility fees, the health care provider must notify its
16 patients of the change and that facility fees will now be applicable to
17 services received from the health care provider. The notice shall be
18 provided in writing at least seven days in advance of each date of
19 service and shall explain the amount of the fee, the purpose of the fee,
20 whether the patient's insurance plan will pay the fee, and for uninsured
21 patients, how to apply for financial assistance. If advance written
22 notice is infeasible because the visit was secured less than seven days
23 in advance, then a written notice shall be provided on the date the
24 service is rendered. The notice shall be provided in plain language in~~]

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
