AN ACT to amend the public health law, in relation to mandating that hospitals report cases of poisonings to poison control centers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 2803-cc to read as follows:

§ 2803-cc. Reporting of poisonings. All hospitals shall report every case of poisoning to the regional poison control center, in a manner and within time periods as may be specified by regulation by the department.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
