January 7, 2026

Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Cities 1

AN ACT to amend the administrative code of the city of New York, in relation to requiring notification of residents who are potentially affected by a serious health threat to their water system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 17-194.1 of the administrative code of the city of New York is amended by adding a new subdivision n to read as follows:

n. Notice requirements. In all cases where the results of the investigation conducted pursuant to subdivision e of this section indicate a serious health threat, the department shall notify all potentially affected residents within 24 hours, including all adjacent buildings that share the same underlying water system.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
