

STATE OF NEW YORK

9216

IN SENATE

February 17, 2026

Introduced by Sen. HINCHEY -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT in relation to directing the department of transportation and certain public authorities to study certain bridges spanning bodies of water connected to deep water ports in the state to determine whether such bridges have the structural integrity to withstand an impact from a large vessel; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. 1. The Department of Transportation, the Bridge Authority,
2 the Triborough Bridge and Tunnel Authority, the Thruway Authority, and
3 the Port Authority of New York and New Jersey, as applicable, shall each
4 conduct a study to determine the ability of certain bridges in the state
5 to withstand an impact to the support structures of such bridges from
6 large ships, including but not limited to, cargo vessels, oil tankers,
7 and passenger ships. Upon the conclusion of each such study, the commis-
8 sioner and the public authorities shall each prepare and issue a compre-
9 hensive report of their study findings and recommendations for improve-
10 ments to each bridge, if any.
- 11 a. The Department of Transportation shall study the following bridges:
12 i. Dunn Memorial Bridge; and
13 ii. Patroon Island Bridge.
- 14 b. The Bridge Authority shall study the following bridges:
15 i. Bear Mountain Bridge;
16 ii. Newburgh-Beacon Bridge;
17 iii. Mid-Hudson Bridge;
18 iv. Kingston-Rhinecliff Bridge;
19 v. Rip Van Winkle Bridge; and
20 vi. Walkway over the Hudson Pedestrian Bridge.
- 21 c. The Triborough Bridge and Tunnel Authority shall study the follow-
22 ing bridges:

e. The Port Authority of New York and New Jersey shall study the following bridges:

- i. George Washington Bridge;
- ii. Bayonne Bridge;
- iii. Goethals Bridge; and
- iv. Outerbridge Crossing Bridge.

2. Each such study shall include, at a minimum, an evaluation of the following for each bridge:

- a. the age of the bridge;
- b. the number and type of vessels traversing the waters below the bridge annually;
- c. the current condition of the bridge;
- d. any known or newly discovered chronic issue or problem with the bridge;
- e. the type, size, and construction of the support structures of the bridge;
- f. the type, size and construction of any barriers surrounding the base of the support structures of the bridge and the distance between such surrounding structures and the water channels occupied by vessels;
- g. the width between the support structures of the bridge;
- h. the height of the bridge;
- i. the topography near the bridge, including but not limited to, sand bars, shallows, and cliffs;
- j. the area a vessel may safely access during a maneuver to avoid the bridge in the event of a loss of power or propulsion or other emergency; and
- k. any other matters the commissioner or public authorities, as applicable, deem necessary.

§ 2. The reports required by this act shall be submitted to the governor, the speaker of the assembly, the minority leader of the assembly, the temporary president of the senate, and the minority leader of the senate no later than January 1, 2028. Each report shall include the findings, conclusions, and recommendations of the commissioner or public authorities, as applicable. Each report shall also be published on the website of the Department of Transportation, the Bridge Authority, the Triborough Bridge and Tunnel Authority, the Thruway Authority, and the Port Authority of New York and New Jersey, as applicable, no later than one month after it is completed.

§ 3. The commissioner and the public authorities, as applicable, may consult with any additional entities such commissioner or public authorities, as applicable, deem necessary to conducting the studies required by this act.

§ 4. For the purposes of this act, the following terms shall have the following meanings:

1. "Bridge Authority" shall mean the New York state bridge authority created pursuant to section five hundred twenty-seven of the public authorities law;

1 2. "Commissioner" shall mean the commissioner of transportation of the
2 state of New York;
