1. a. Every hearing for the adjudication of a traffic infraction, as provided by this article, shall be held before a hearing officer appointed by the commissioner. The commissioner may prescribe, by rule or regulation, the procedures for the conduct of such hearings.

b. The commissioner shall prescribe, by rule or regulation, procedures for presentation of victim impact statements by individuals injured during the course of a traffic infraction, or in the case of a death resulting from such traffic infraction, from the deceased's next of kin, at hearings for the adjudication of a traffic infraction under this section.

§ 5. The labor law is amended by adding a new section 202-m to read as follows:

§ 202-m. Leave of absence for traffic hearings; impact statements. 1. For the purposes of this section, the following terms shall have the following meanings:

The length of such leave shall not exceed four work hours, unless otherwise agreed to by such employer.
