§ 60.75 Rules of evidence; chemical test evidence.

In any prosecution where two or more offenses against the same defendant are properly joined in one indictment or charged in two accusatory instruments properly consolidated for trial purposes and where one such offense charges a violation of any subdivision of section eleven hundred ninety-two of the vehicle and traffic law, chemical test evidence properly admissible as evidence of intoxication under subdivision one of section eleven hundred ninety-five of such law shall also, if relevant, be received in evidence with regard to the remaining charges in the indictments.
