§ 214-f. Action to recover damages for personal injury caused by contact with or exposure to any substance or combination of substances found within an area designated as a superfund site. Notwithstanding any provision of law to the contrary, an action to recover personal damages for injury caused by contact with or exposure to any substance or combination of substances contained within an area designated as a superfund site pursuant to either Chapter 103 of Section 42 of the United States Code and/or section 27-1303 of the environmental conservation law, may be commenced by the plaintiff within the period allowed pursuant to section two hundred fourteen-c of this article or within three years of such designation of such an area as a superfund site, whichever is latest.
