§ 1506. Filing of certain orders of district superintendent. The order of a district superintendent forming or altering the boundaries of a school district and the written description thereof together with all notices, orders, consents and proceedings relating to the formation or alteration thereof shall be filed with the commissioner, with the clerk of each school district affected, and with the town clerk of the town in which such district is located; provided, however, that orders altering boundaries of school districts shall be filed with the clerk of only the town in which the property being transferred is located.
