1-a. Notwithstanding the provisions of sections two thousand fourteen and two thousand eighteen-e of this part, in any county with a population of one million or more, the trustees or the board of education of any common, union free, central or central high school district which does not provide for the personal registration of voters for school district meetings and elections but which elects trustees or school board members by ballot shall provide for early mail ballots for the election of the trustees or members of the board and school district public library trustees, the adoption of the annual budget and school district public library budget and referenda.

2. a. An applicant for such an early mail ballot shall submit an application setting forth (1) their name and residence address, including the street and number, if any, or town and rural delivery route, if any; (2) that they are or will be, on the day of the school district election, a qualified voter of the school district in which he resides in that he is or will be, on such date, over eighteen years of age, a citizen of the United States and has or will have resided in the district for thirty days next preceding such date. Such application must be received by the district clerk or designee of the trustees or school board at least seven days before the election if the ballot is to be mailed to the voter, or the day before the election, if the ballot is to be delivered personally to the voter.

b. Such application shall include the following statement to be signed by the voter.

I hereby declare that the foregoing is a true statement to the best of my knowledge and belief, and I understand that if I make any material false statement in the foregoing statement of application for early mail ballot, I shall be guilty of a misdemeanor.

3. If, upon examining the application required under the provisions of subdivision two of this section, and upon such inquiry as it deems proper, the clerk of the school district or designee of the trustees or school board shall be satisfied that the applicant is a qualified voter of the district, and entitled to vote by early mail ballot, such clerk of the school district or designee of the trustees or school board shall cause to be issued or mailed to the applicant an early mail voter's ballot and the clerk of the school district or designee of the trustees or school board shall make an appropriate entry on the poll list pursuant to section two thousand twenty-nine of this part.

4. The clerk of the school district or a designee of the trustees or school board shall also mail an early mail ballot to every qualified voter otherwise eligible for such ballot, who requests an early mail ballot from such clerk or trustees or school board designee in a letter which is signed by the voter and received by the clerk or trustees or school board designee not earlier than the thirtieth day nor later than the seventh day before the election for which the ballot is first requested and which states the address where the voter resides and to which the ballot is to be mailed. The clerk or designee of the trustees or school board shall enclose with such ballot a form of application for early mail ballot. The early mail ballot of a voter who requested such ballot by letter, rather than application, shall not be counted unless a valid application form, signed by such voter, is received by the clerk of the school district or designee of the trustees or school board with such ballot.

5. Ballots for early mail voters shall be, as nearly as practicable, in the same form as those to be voted at the district election; if the vote at such election shall be by ballot, the early mail ballot shall

conform to the regular ballot; if the vote of such election shall be by voting machine, the early mail ballot shall conform as closely as possible to the manner in which the names of the candidates, the questions and the propositions appear on the voting machines, except that the early mail ballot shall also contain a space for a write-in or write-ins. On the back of such early mail ballots shall be printed words "Official Ballot, Early Mail Voter".

6. a. The clerk of the school district or designee of the trustees or school board shall enclose each early mail voter's ballot in an envelope which shall be labelled:

I hereby declare that the foregoing is a true statement to the best of my knowledge and belief, and I understand that if I make any material false statement in the foregoing statement of early mail voter, I shall be guilty of a misdemeanor.

Date ..... Signature of Voter .....

c. The envelope shall be gummed, ready for sealing, and shall have printed thereon, on the side opposite the statement, instructions as to the duties of the voter after the marking of the ballot, which instructions shall include a specific direction stating that the envelope must reach the office of the clerk of the school district or designee of the trustees or school board not later than five P.M. on the day of the election in order that their vote may be canvassed.

d. A person who shall make any material false statement in the statement of the early mail voter appearing on the reverse side of the envelope as provided in this subdivision, shall be guilty of a misdemeanor.

7. The clerk of the school district or designee of the trustees or school board shall make a list of all persons to whom early mail voter's ballots shall have been issued and maintain such list where it shall be available for public inspection during regular office hours until the day of the election. Any qualified voter may, upon examination of such list, file a written challenge of the qualifications as a voter of any person whose name appears on such list, stating the reasons for such challenge. A challenge to an early mail ballot may not be made on the basis that the voter should have applied for an absentee ballot. Such written challenge shall be transmitted by the clerk or the designee of the trustees or school board to the inspectors of election on election day.

8. a. The clerk of the school district or designee of the trustees or school board shall be authorized to call upon the commissioner of police and the officers and members of the police force for such assistance in the enforcement of the provisions of this section as such trustees or board shall require, and such commissioner and officers and members of the police force shall be authorized to render such assistance.

b. The clerk of the school district or designee of the trustees or school board may require any person to attend before it at the office of the clerk of the school district or the office of the designee of the trustees or school board and be examined by the trustees or board as to any matter in relation to which such trustees or board is charged with a duty under this section, and may issue a subpoena therefor. Each member of such trustees or board shall be authorized to administer any oath that may be required or authorized by law in this connection.

9. No early mail voter's ballot shall be canvassed, unless it shall have been received in the office of the clerk of the school district or designee of the trustees or school board not later than five P.M. on the day of the election.

10. The clerk of the district or designee of the trustees or school board shall, on the day of the election, transmit all early mail voters'

envelopes, received by him in accordance with subdivision eight of this section, to the inspectors of election.

11. If a person whose name is on an envelope as a voter shall have already voted in person at such school district election, or if there is no signature on the envelope, this envelope shall be laid aside unopened and be returned unopened to the clerk of the district or designee of the trustees or school board. If such person has not so voted in person, and if no objection is made, or if an objection made be not sustained, the envelope shall be opened and the ballot withdrawn without unfolding and deposited in the proper box or boxes.

12. If the inspectors of election shall have received an envelope, and upon opening the same no ballot shall be found therein, the inspectors shall make a memorandum showing that the ballot is missing. When the casting of early mail voters' ballots shall have been completed, the inspectors shall ascertain the number of such ballots which have been deposited in the ballot box by deducting from the number of envelopes opened the number of missing ballots, and shall make a separate return thereof in duplicate. The number of early mail voters' ballots deposited in the ballot box shall be added to the number of other ballots to be accounted for in the ballot box. Such ballots shall then be counted or canvassed by the inspectors of election along with the other ballots cast at such school district election, or, where voting machines are used, shall be added to the votes recorded on such machines.
