*** § 2590-o. Neutrality of school employees in community board elections.** 1. In their official capacities during school hours all school, community district and city district employees shall maintain a posture of complete neutrality with respect to elections of candidates for community board. No school, community district or city district facilities or supplies shall be used on behalf of any candidate.

2. The city board shall have the authority and responsibility with regard to the investigation and trial of employees against whom violations of this section are charged. Wilful violations of this section shall constitute cause for removal from office or termination of employment.

3. The city board shall adopt regulations to achieve the purposes of this section.
