§ 3022. Elimination of subversive persons from the public school system. 1. The board of regents shall adopt, promulgate, and enforce rules and regulations for the disqualification or removal of superintendents of schools, teachers or employees in the public schools in any city or school district of the state and the faculty members and all other personnel and employees of any college or other institution of higher education owned and operated by the state or any subdivision thereof who violate the provisions of section three thousand twenty-one of this article or who are ineligible for appointment to or retention in any office or position in such public schools or such institutions of higher education on any of the grounds set forth in section twelve-a of the civil service law and shall provide therein appropriate methods and procedure for the enforcement of such sections of this article and the civil service law.

2. The board of regents shall, after inquiry, and after such notice and hearing as may be appropriate, make a listing of organizations which it finds to be subversive in that they advocate, advise, teach or embrace the doctrine that the government of the United States or of any state or of any political subdivision thereof shall be overthrown or overturned by force, violence or any unlawful means, or that they advocate, advise, teach or embrace the duty, necessity or propriety of adopting any such doctrine, as set forth in section twelve-a of the civil service law. Such listings may be amended and revised from time to time. The board, in making such inquiry, may utilize any similar listings or designations promulgated by any federal agency or authority authorized by federal law, regulation or executive order, and for the purposes of such inquiry, the board may request and receive from such federal agencies or authorities any supporting material or evidence that may be made available to it. The board of regents shall provide in the rules and regulations required by subdivision one hereof that membership in any such organization included in such listing made by it shall constitute prima facie evidence of disqualification for appointment to or retention in any office or position in the public schools of the state.

3. The board of regents shall annually, on or before the fifteenth day

of February, by separate report, render to the legislature, a full statement of measures taken by it for the enforcement of such provisions of law and to require compliance therewith. Such reports shall contain a description of surveys made by the board of regents, from time to time, as may be appropriate, to ascertain the extent to which such provisions of law have been enforced in the city and school districts of the state.
