§ 3804. Report and payment of fines. Every district attorney shall report, annually, to the board of supervisors or other governing elective body, all such fines and penalties imposed in any prosecution conducted by him during the previous year; and all moneys collected or received by him or by the sheriff, or any other officer, for or on account of such fines or penalties, shall be immediately paid into the county treasury, and the receipt of the county treasurer shall be a sufficient and the only voucher for such money.
