§ 4117. Payment of cost of education of physically handicapped Indian children. Any claims for providing home-teaching, transportation, scholarships in non-residence schools, tuition and maintenance for physically handicapped children which are, ultimately or in the first instance, made a charge against a county or a city having a special children's court act, pursuant to the provisions of article eighty-nine of this chapter, shall, if such home-teaching, transportation, scholarships, tuition and maintenance shall be provided for physically handicapped Indian children, be paid by the education department out of moneys appropriated therefor.
