§ 7205. State board for engineering, land surveying and geology. A state board for engineering, land surveying and geology shall be appointed by the board of regents on recommendation of the commissioner for the purpose of assisting the board of regents and the department on matters of professional licensing and professional conduct in accordance with section sixty-five hundred eight of this title. The board shall be composed of not less than seven professional engineers, not less than two land surveyors and not less than two professional geologists licensed in this state. An executive secretary to the board shall be appointed by the board of regents on recommendation of the commissioner and shall be a professional engineer, land surveyor or professional geologist licensed in this state.
