§ 803-b. Courses of study in prevention of child sexual exploitation and child sexual abuse. 1. All pupils in grades K-8 in all public schools in the state shall receive instruction designed to prevent child sexual exploitation and child sexual abuse. Such program shall be defined by the commissioner in regulations after consultation with the department of health and be designed to educate students, parents and school personnel about the prevention of child sexual exploitation and child sexual abuse in grades kindergarten through eight. Such program shall include, but not be limited to students and parents. Nothing in this section shall prevent the department from making model curriculum and resource materials available on the department's website.

2. The commissioner may provide technical assistance to assist in the development of curricula for such courses of study which shall be age appropriate and developed according to the needs and abilities of pupils at successive grade levels in order to provide awareness, skills, information, self-confidence and support to aid in the prevention of child sexual exploitation and child sexual abuse.
