§ 16-113. Proceeding with respect to voter verifiable records. The supreme court, by a justice within the judicial district, or the county court, by a county judge within his or her county, in a special proceeding by any candidate or his or her agent, may direct a manual audit of the voter verifiable audit records applicable to any candidate running for office within such judicial district or county where (1) the uniform statewide standard promulgated by regulation by the state board of elections pursuant to subdivision three of section 9-211 of this chapter with respect to discrepancies between manual audit tallies and voting machines or systems tallies requires a further voter verifiable record audit of additional voting machines or systems or all voting machines or systems applicable to such election, or (2) where evidence presented to the court otherwise indicates that there is a likelihood of a material discrepancy between such manual audit tally and such voting machine or system tally, or a discrepancy as defined in subdivision three of section 9-208 of this chapter, which creates a substantial possibility that the winner of the election as reflected in the voting machine or system tally could change if a voter verifiable record audit of additional voting machines or systems or of all voting machines or systems applicable to such election were conducted.
