§ 5-302. Enrollment; completion. 1. Before placing the registration poll record in the poll ledger or in the computer generated registration list, the board shall enter in the space provided therefor the name of the party designated by the voter on his application form, provided such party continues to be a party as defined in this law. If such party ceases to be a party at any time, either before or after such enrollment is so entered, the enrollment of such voter shall be deemed to be blank and shall be entered as such until such voter files an application for change of enrollment pursuant to the provisions of this chapter. The board shall enter the date of such entry and affix initials thereto in the space provided.

2. If the application form is for a voter who has changed his enrollment or a voter who has previously registered and not enrolled, then the board of elections shall compare the information and the signature appearing on each application form received with that on the registration poll record of the applicant and if found to correspond in all particulars shall, not earlier than the Tuesday following the next general election and not later than the thirtieth day preceding the last day for publishing enrollment lists, proceed in the manner specified in subdivision one hereof to enter such enrollment on such voter's registration poll card.

3. If marks are found in more than one of the boxes or circles or if no marks are found in any of the boxes or circles of any application form, the voter who used the application form shall be deemed not to be enrolled, and the words blank or void shall be entered in the space reserved on his registration poll record for the name of a political party or in the computer files from which the computer generated registration lists are prepared. However if such application form sets forth the address of prior registration and such prior registration had not been previously cancelled, the party enrollment, if any, which is part of such prior registration shall be entered in such space on such registration poll record or in such computer files.

4. Registration poll records of voters whose registrations are not rejected by the board of elections shall forthwith be placed in the poll

ledger or such voters' names shall forthwith be entered in the computer files from which the computer generated registration lists are prepared, except that the registration poll record of an otherwise qualified voter who registers after the tenth day before a primary election shall not be placed in such poll ledger or such voters' names shall not appear on such a computer generated registration list until after such primary and except further that the registration poll record of a voter whose previous registration was cancelled pursuant to the provisions of this chapter after the previous general election and who registers pursuant to the provisions of this chapter after such cancellation shall not be placed in such poll ledger or such voters' names shall not appear on such a computer generated registration list until after the fall primary election, unless such voter has enrolled with the same party as the enrollment on the registration which was so cancelled.

The registration poll record of a voter who is not eligible to vote in a primary election but who is eligible to vote in a special election held before such primary election shall be placed in its regular place in the poll ledger or in a special section of such poll ledger for such special election as the board of elections, in its discretion, shall provide, or such name shall appear in its regular place on the computer generated registration list prepared for use in such special election. Such poll record shall be removed from such poll ledger or computer generated registration list immediately after such special election.

5. During the period preceding the ensuing primary election, the board of elections shall maintain as a public record a list of all enrollments entered, transferred or corrected, and not contained in the last published enrollment list. Such supplemental enrollment list shall contain the same information and shall be distributed in the same manner as the original enrollment list not later than the tenth day before the primary election.
