§ 7-122. Ballots; absentee voters. 1. (a) Ballots for absentee voters shall be, as nearly as practicable, in the same form as those to be voted in the district on election day, except that such ballots need not have a stub, and shall have the words "Absentee Ballot", endorsed thereon.

(b) All provisions of this chapter not inconsistent with this subdivision shall be applicable to absentee ballots prepared for counting by a ballot scanner or by hand. The determination of the appropriate county board of elections as to the candidates duly designated or nominated for public office or party position whose name shall appear on the absentee ballot and as to ballot proposals to be voted on shall be made no later than the day after the state board of elections issues its certification of those candidates to be voted for at the general, special or primary election. The determinations of the state board of elections and the respective county boards of elections shall be final and conclusive with respect to such offices for which petitions or certificates are required to be

filed with such boards, as the case may be but nothing herein contained shall prevent a board of elections, or a court of competent jurisdiction from determining at a later date that any such certification, designation or nomination is invalid and, in the event of such later determination, no vote cast for any such nominee by any voter shall be counted at the election.
