§ 11-0109. Standard Time of the state.

Provisions of the Fish and Wildlife Law, or regulations of the department pursuant thereto, stating the periods of the day during which fish, game or wildlife may be taken shall be construed as referring to the Standard Time of the state as defined in section 52 of the General Construction Law, notwithstanding any act of Congress of the United States or of the legislature of this state or any law or ordinance of a subdivision of the state declaring another basis of reckoning time.
