*** § 21-1505. Advisors.**

1. The mayor of the city of New York, or his designee, shall be the advisor of this state's member of the mid-Atlantic states air pollution control commission, as contemplated by section 2.6 of article two of the mid-Atlantic states air pollution control compact, provided that any such designee shall not be accorded any privileges as such unless the mayor shall have notified this state's member and the commission in writing of the selection of such designee.

2. The Department of Environmental Conservation shall provide an advisory committee with whom this state's member of the commission may consult with respect to the conduct of New York participation in the compact. Such member of the commission also may consult from time to time with other officers of the state government or any subdivision thereof, as may be appropriate.

* NB Denied Congressional consent; preempted by enactment of federal Air Quality Act of 1967 (81 stat. 485)
