*** § 21-1509. Budget.**

The mid-Atlantic states air pollution control commission shall submit annually to the Director of the Budget, in accordance with the rules and practice of the state, for study and consideration by such Director, an estimate of moneys required to administer, manage and support the commission during the ensuing fiscal year. Such estimate shall include any request for appropriation of funds by New York and shall be accompanied by a tabulation of similar requests which the commission expects to make to each other signatory party and the formula or factors upon which such respective requests are based. The provisions of section 6.1 of the compact shall apply to the budgetary and other fiscal matters relating to the participation of this state in the compact.
