§ 27-0910. Standards applicable to marketers of hazardous waste fuel.

The commissioner shall promulgate regulations establishing standards applicable to any person who distributes or markets any fuel which is produced from (a) facilities which produce a fuel (i) from any hazardous waste identified or listed in the regulations promulgated under section 27-0903 of this title or (ii) from any such hazardous waste and any other material, or (b) any fuel which otherwise contains any such hazardous waste.
