§ 27-1420. Brownfield cleanup program report.

1. The commissioner, in consultation with the commissioner of taxation and finance, shall prepare on or before April thirtieth of each year, a report concerning the brownfield cleanup program which contains the following information for the preceding fiscal year:

a. the number of requests for participation received by the department;

b. the number of remedial investigations commenced, and the number of remedial investigations completed;

c. the number of requests for participation withdrawn or terminated prior to issuance of certificate of completion;

d. for each request for participation that resulted in a certificate of completion, the length of time from the date the department received the request, to the date the commissioner issues the certificate of completion;

e. the total number of certificates of completion issued; and

f. such other information as the commissioner may determine is relevant to the status of the administration of the program.

2. Copies of this report shall be submitted to the governor, the director of the budget, the temporary president of the senate, the speaker of the assembly, the chair of the senate finance committee, the chair of the assembly ways and means committee and the New York brownfields advisory board.
