§ 27-2613. Electronic waste collection, consolidation and recycling.

1. Electronic waste collection sites. No later than January first, two thousand eleven, each person who owns or operates an electronic waste collection site in the state shall:

(a) register with the department on a form prescribed by the department. The department may require such form to be filed electronically. The registration shall include: (i) the name, address, and telephone number of the owners and the operators of the electronic waste collection site; and (ii) the name, address, and telephone number of the electronic waste collection site. Any person who commences the operation of an electronic waste collection site on or after January first, two thousand eleven shall register with the department at least thirty days prior to receiving any electronic waste at such collection site. A registration is effective upon acceptance by the department. In the case of collection sites operated by a retailer, a single registration listing the name, address, and telephone number of the individual collection sites may be submitted covering all their collection sites;

(b) beginning March first, two thousand twelve, each person operating an electronic waste collection site shall submit to the department an annual report for the period of April first, two thousand eleven through December thirty-first, two thousand eleven and each calendar year thereafter, on a form prescribed by the department. The department may require annual reports to be filed electronically. Annual reports shall include, but not be limited to, the following information: (i) the quantity, by weight, of electronic waste received from consumers in the state; (ii) the name and address of each person to whom the electronic waste collection site sent electronic waste during the reporting period, along with the quantity, by weight, of electronic waste that was sent to each such person; and (iii) the weight of electronic waste collected on behalf of or pursuant to an agreement with each manufacturer during the reporting period. All quantities of electronic waste reported by the collection site must separately include electronic waste generated by New York state consumers and electronic waste received from or shipped outside the state;

(c) manage electronic waste in a manner that complies with all

applicable laws, rules and regulations;

(d) store electronic waste (i) in a fully enclosed building with a roof, floor and walls, or (ii) in a secure container (e.g., package or vehicle), that is constructed and maintained to minimize breakage of electronic waste and to prevent releases of hazardous materials to the environment;

(e) remove electronic waste from the site within one year of the waste's receipt at the site, and maintain records demonstrating compliance with this requirement.

2. Electronic waste consolidation facilities. (a) No later than January first, two thousand eleven, each person who operates an electronic waste consolidation facility in the state shall register with the department on a form prescribed by the department. The department may require such form to be filed electronically. The registration shall include: (i) the name, address and telephone number of the owner and the operator of the facility; and (ii) the name, address and telephone number of the electronic waste consolidation facility. Any person who commences the operation of an electronic waste consolidation facility on or after January first, two thousand eleven shall register with the department at least thirty days prior to receiving any electronic waste. A registration is effective upon acceptance by the department. Any registration required by this paragraph shall be accompanied by a registration fee of two hundred fifty dollars.

(b) Beginning March first, two thousand twelve, each person operating an electronic waste consolidation facility shall submit to the department an annual report for the period of April first, two thousand eleven through December thirty-first, two thousand eleven and each calendar year thereafter, on a form prescribed by the department. The department may require annual reports to be filed electronically. Annual reports shall include, but not be limited to, the following information: (i) the name and address of each electronic waste collection site from which the consolidation facility received electronic waste during the reporting period, along with the quantity, by weight, of electronic waste received from each collection site; (ii) the name and address of each person to whom the electronic waste consolidation facility sent electronic waste during the reporting period, along with the quantity,

by weight, of electronic waste that was sent to each such person; (iii) the weight of electronic waste collected on behalf of or pursuant to an agreement with each manufacturer during the reporting period; and (iv) a certification by the owner or operator of the electronic waste consolidation facility that such a facility has complied with the requirements of this title and all other applicable laws, rules, and regulations. All quantities of electronic waste reported by the consolidation facility must separately include electronic waste generated by New York state consumers and electronic waste received from or shipped outside the state.

(c) Each person operating an electronic waste consolidation facility shall:

(i) manage electronic waste in a manner that complies with all applicable laws, rules and regulations;

(ii) store electronic waste (A) in a fully enclosed building with a roof, floor and walls, or (B) in a secure container (e.g., package or vehicle), that is constructed and maintained to minimize breakage of electronic waste and to prevent releases of hazardous materials to the environment;

(iii) have a means to control entry, at all times, to the active portion of the facility;

(iv) inform all employees who handle or have responsibility for managing electronic waste about the proper handling and emergency procedures appropriate to the type or types of electronic waste handled at the facility;

(v) remove electronic waste from the site within one year of the waste's receipt at the site, and maintain records demonstrating compliance with this requirement; and

(vi) maintain the records required by paragraphs (a) and (b) of this subdivision and by subparagraph (v) of this paragraph on site and make them available for audit and inspection by the department for a period of three years.

(d) A person operating an electronic waste consolidation facility shall not engage in electronic waste recycling unless such person is also registered as an electronic waste recycling facility, and complies with the requirements of this section that are applicable to each type of facility.

(e) A person operating an electronic waste consolidation facility may accept electronic waste in the same manner as an electronic waste collection site provided that such person complies with the requirements of this section that are applicable to electronic waste collection sites.

3. Electronic waste recycling facilities. (a) No later than January first, two thousand eleven, each person operating an electronic waste recycling facility in the state shall register with the department on a form prescribed by the department. The department may require such form to be filed electronically. The registration shall include: (i) the name, address and telephone number of the owner and the operator of the facility; and (ii) the name, address, and telephone number of the electronic waste recycling facility. Any person who commences the operation of an electronic waste recycling facility on or after January first, two thousand eleven shall register with the department at least thirty days prior to receiving any electronic waste. A registration is effective upon acceptance by the department. Any registration required by this paragraph shall be accompanied by a registration fee of two hundred fifty dollars.

(b) Beginning March first, two thousand twelve, each person operating an electronic waste recycling facility shall submit to the department an annual report for the period of April first, two thousand eleven through December thirty-first, two thousand eleven and each calendar year thereafter, on a form prescribed by the department. The department may require annual reports to be filed electronically. Annual reports shall include, but not be limited to, the following information: (i) the quantity, by weight, of electronic waste received from consumers in the state; (ii) the name and address of each electronic waste collection site and electronic waste consolidation facility from which electronic waste was received during the reporting period, along with the quantity, by weight, of electronic waste received from each person; (iii) the name and address of each person to whom the facility sent electronic waste or component materials during the reporting period, along with the quantity, by weight, of electronic waste or component materials thereof sent to each such person; (iv) the weight of electronic waste collected on behalf of or pursuant to an agreement with each manufacturer during

the reporting period; and (v) a certification by the owner or operator of the facility that such facility has complied with the requirements of this title and all other applicable laws, rules, and regulations. All quantities of electronic waste reported by the recycling facility must separately include electronic waste generated by New York state consumers and electronic waste received from or shipped outside the state.

(c) Each person operating an electronic waste recycling facility shall:

(i) manage and recycle electronic waste in a manner that complies with all applicable laws, rules and regulations;

(ii) store electronic waste (A) in a fully enclosed building with a roof, floor and walls, or (B) in a secure container (e.g., package or vehicle), that is constructed and maintained to minimize breakage of electronic waste and to prevent releases of hazardous materials to the environment;

(iii) have a means to control entry, at all times, through gates or other entrances to the active portion of the facility;

(iv) inform all employees who handle or have responsibility for managing electronic waste about proper handling and emergency procedures appropriate to the type or types of electronic waste handled at the facility;

(v) remove electronic waste from the site within one year of the waste's receipt at the site, and maintain records demonstrating compliance with this requirement; and

(vi) maintain the records required by paragraphs (a) and (b) of this subdivision and by subparagraph (v) of this paragraph on site and make them available for audit and inspection by the department for a period of three years.

(d) A person operating an electronic waste recycling facility may also operate such facility as an electronic waste consolidation facility provided that such person complies with the requirements of this section that are applicable to each type of facility. Where a facility is operated for both purposes, only one registration fee must be paid.

(e) A person operating an electronic waste recycling facility may accept electronic waste in the same manner as an electronic waste collection site provided that such person complies with the requirements

of this section that are applicable to electronic waste collection sites.

4. Except to the extent otherwise required by law, no manufacturer or person operating an electronic waste collection site, electronic waste consolidation facility or electronic waste recycling facility shall have any responsibility or liability for any data in any form stored on electronic waste surrendered for recycling or reuse, unless such person misuses or knowingly and intentionally, or with gross negligence, discloses the data. This provision shall not prohibit any such person from entering into agreements that provide for the destruction of data on covered electronic equipment.
